Natasha's back!

The Atomic Kitten goddess returns!

WAY BACK in the mists of time. Long before The Saturdays. Further back than that. Before Girls Aloud. Keep going. Before Sugababes, even, there was a fine pop band called Atomic Kitten. Their hits included *Whole Again*, *Eternal Flame* and some other hits. Plus, they looked nice.

Well, Atomic Kitten have reunited for ITV2 show *The Big Reunion* and singer Natasha Hamilton looks – suspiciously – twice as good as she did in 2005. She's clearly had an oil change and a rub with a chamois leather. Yes, that's probably it.

2013'S KITTENS!

Liz McClarnon, Natasha and Kery Katona return in *The Big Reunion* on ITV this Thursday, 9pm.

"Er, excuse me, can't you see I'm weightlifting?"

"Rabbit? This is my kangaroo pose, you idiot!"

Sean Lock's new gags!

Spectacular new jokes from the bespectacled comedian!

On a better world!

"I want to live in a world where school nativity plays have an interval so if your kid's said their line, you can fk off."**

On lying!

"My daughter said, 'Are there monsters under the bed?' I said, 'Yes, there are, and if you put your foot down at any point during the night, they'll reach out and drag you into a hellish abyss. And he's there until seven o'clock in the morning.'"

On thinking!

"Here are the sort of things I think about. How long could you live on nothing but toffee apples? At what point does a lager top become a shandy? Who would you rather share a sleeping bag with – Ronnie Wood or Jeremy Vine? Should teddy bears have genitals?"

On injury lawyers!

"When someone has a fall or trip, the first thing you should ask is, 'Was I looking where I was going?' Not call a lawyer. That should be the first thing they ask you at an interview for a job. 'Do you tend to look where you're going?'"

"I wonder how many clowns phone up? 'The other day, they put me in a barrel and drove a car into me...'"

On advertising!

"I want to live in a world where you're not allowed to advertise to children. I'm sick of these advertisers coming into our homes uninvited. It's not fair. Children are fking idiots. If you put a picture of Shrek on a bag of gravel, they want it."**

On cinema food!

"Cinema food is so expensive, I like to smuggle in a barbecue disguised as a wheelchair with a pair of sunglasses over a rack of lamb."

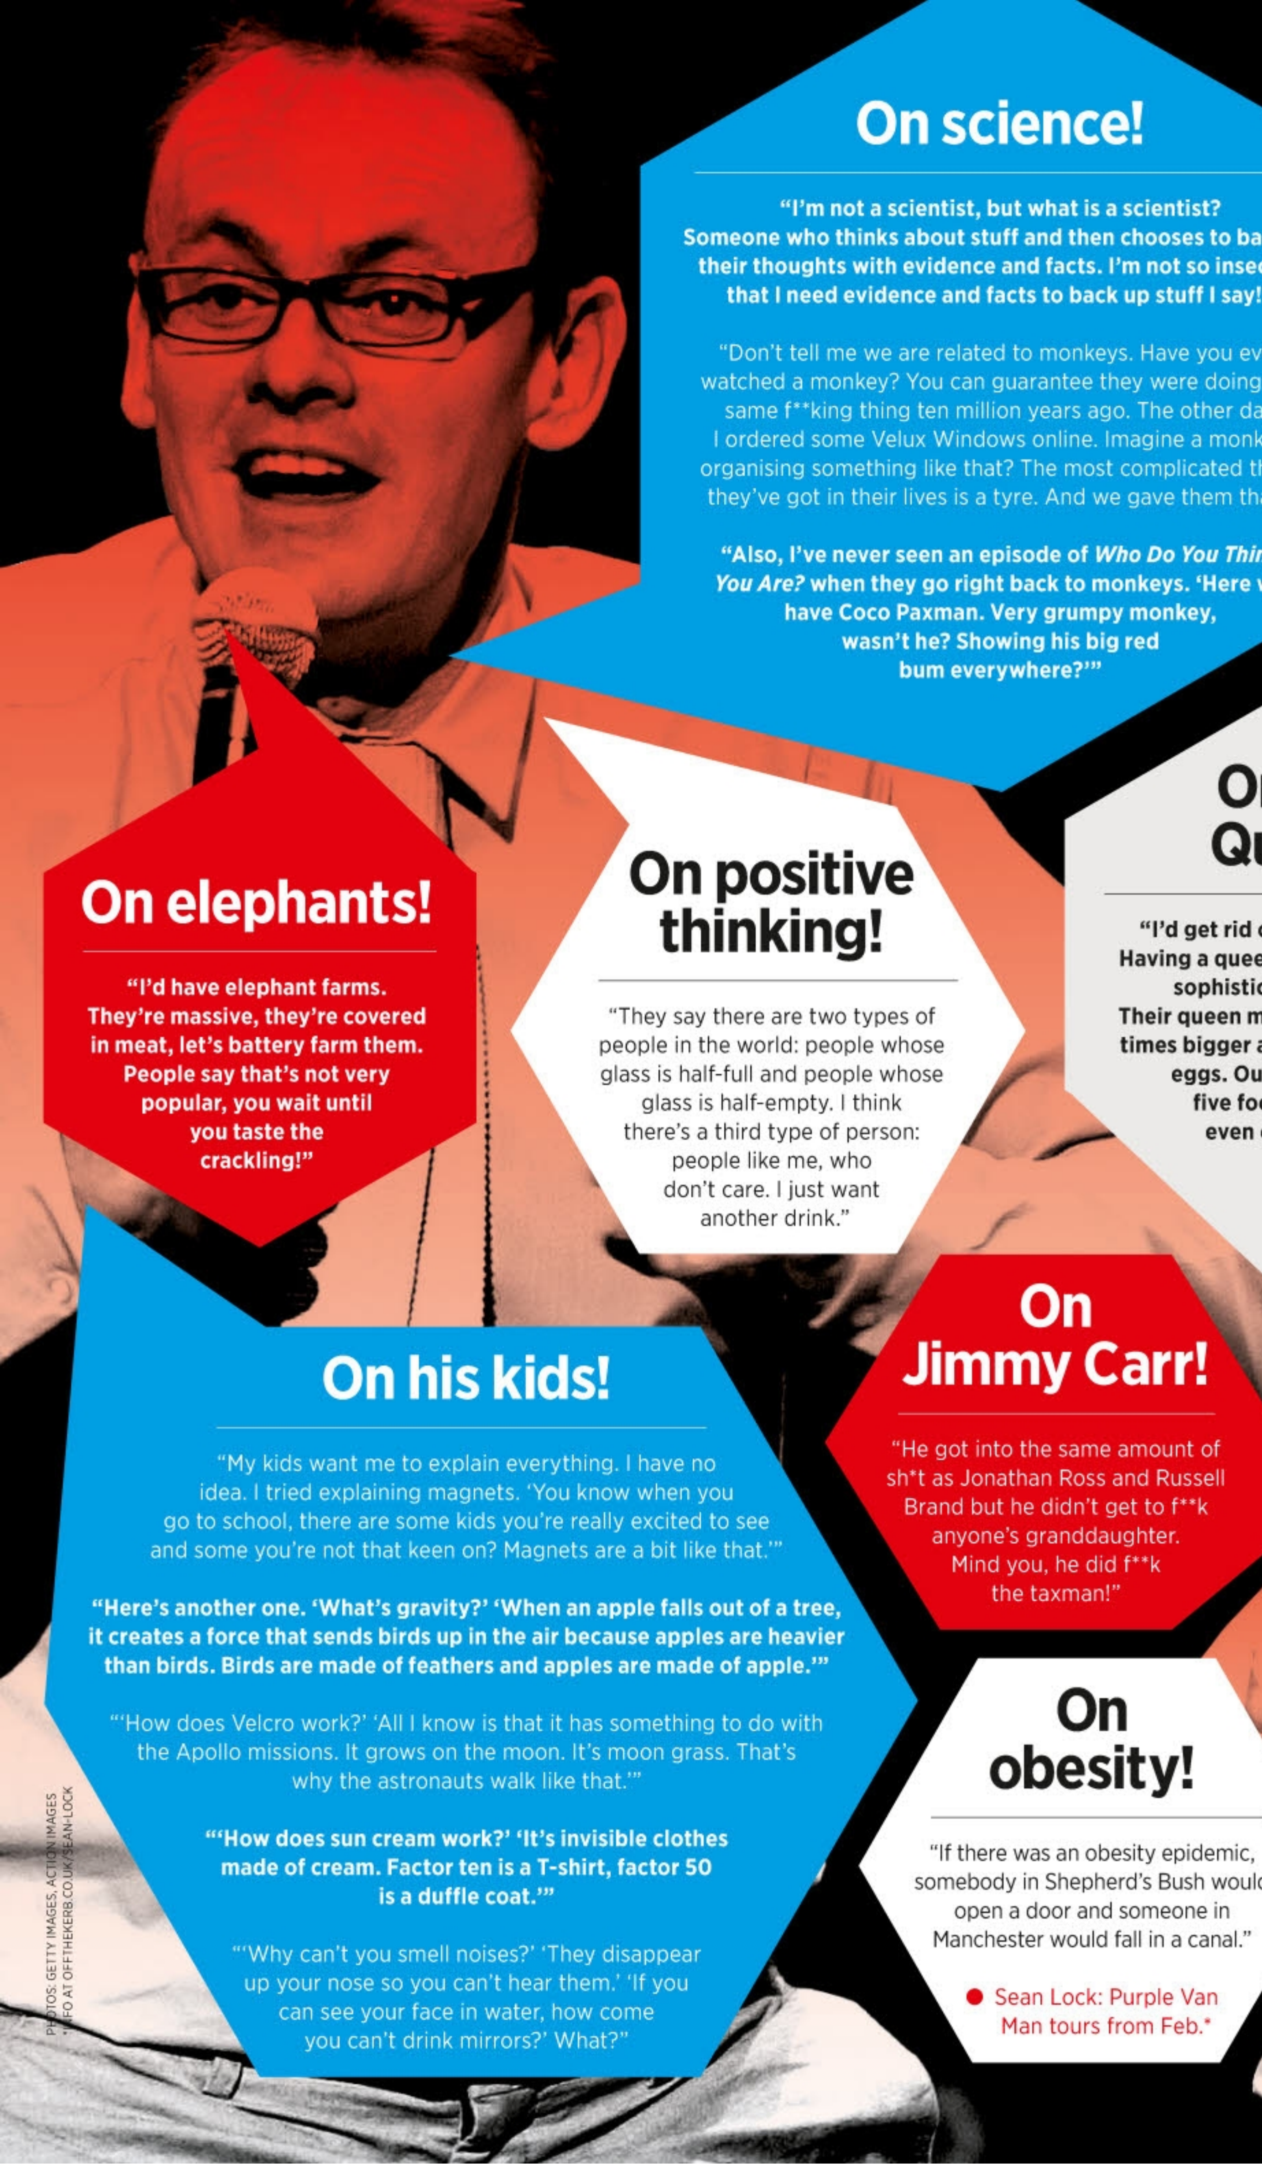
On crackers!

"I've been campaigning to get rid of Christmas crackers for years. If they were any good, we'd have them all year. 'Is it your birthday? Want to pull a cracker?' 'We've got Dave and Sue coming around on Saturday. Want to get some crackers?' They're sh*t. The whole experience is dismal. You pull the cracker, the bang wouldn't make a kitten jump. The paper hat makes me look like a grill chef in a service station. The toy is a set of miniature screwdrivers that don't fit anything. I would have been happy with nothing, then it would have saved me a trip to the bin."

"Here's a joke from a cracker. 'What did the ghost sing at the snowman's birthday party? Freeze a jolly good fellow!' What's the ghost got to do with it? Also, I'm ignoring the absurdity of a snowman having a birthday party. When in history has a snowman ever lived to one? Maybe in Antarctica, but who's going to organise a birthday party for it?"

On China!

"China is slowly taking over the world. They're not doing it in big colonial sweeps, they're just slowly buying everything up. You'll notice it in very subtle ways. Suddenly you'll notice there are less prongs on your fork. 'There are only two. Now it's only a stick!' You'll go to buy a commiseration card. 'Commiserations on birth of daughter.'"



On science!

"I'm not a scientist, but what is a scientist? Someone who thinks about stuff and then chooses to back up their thoughts with evidence and facts. I'm not so insecure that I need evidence and facts to back up stuff I say!"

"Don't tell me we are related to monkeys. Have you ever watched a monkey? You can guarantee they were doing the same f**king thing ten million years ago. The other day I ordered some Velux Windows online. Imagine a monkey organising something like that? The most complicated thing they've got in their lives is a tyre. And we gave them that."

"Also, I've never seen an episode of *Who Do You Think You Are?* when they go right back to monkeys. 'Here we have Coco Paxman. Very grumpy monkey, wasn't he? Showing his big red bum everywhere?'"

On elephants!

"I'd have elephant farms. They're massive, they're covered in meat, let's battery farm them. People say that's not very popular, you wait until you taste the crackling!"

On positive thinking!

"They say there are two types of people in the world: people whose glass is half-full and people whose glass is half-empty. I think there's a third type of person: people like me, who don't care. I just want another drink."

On the Queen!

"I'd get rid of the Royal Family. Having a queen says we're no more sophisticated than bees. Their queen makes sense. She's ten times bigger and lays thousands of eggs. Our queen is about five foot and doesn't even open doors."

On his kids!

"My kids want me to explain everything. I have no idea. I tried explaining magnets. 'You know when you go to school, there are some kids you're really excited to see and some you're not that keen on? Magnets are a bit like that.'"

"Here's another one. 'What's gravity?' 'When an apple falls out of a tree, it creates a force that sends birds up in the air because apples are heavier than birds. Birds are made of feathers and apples are made of apple.'"

"'How does Velcro work?' 'All I know is that it has something to do with the Apollo missions. It grows on the moon. It's moon grass. That's why the astronauts walk like that.'"

"'How does sun cream work?' 'It's invisible clothes made of cream. Factor ten is a T-shirt, factor 50 is a duffle coat.'"

"'Why can't you smell noises?' 'They disappear up your nose so you can't hear them.' 'If you can see your face in water, how come you can't drink mirrors?' What?"

On Jimmy Carr!

"He got into the same amount of sh*t as Jonathan Ross and Russell Brand but he didn't get to f**k anyone's granddaughter. Mind you, he did f**k the taxman!"

On obesity!

"If there was an obesity epidemic, somebody in Shepherd's Bush would open a door and someone in Manchester would fall in a canal."

A quick word with... Arnie!

Mr S on his new movie and catchphrases!

Hi Arnie! What were you looking for in a comeback movie?
I was looking for a typical Arnold action movie and *The Last Stand* has great chase scenes, believable fights, crazy set-pieces, shoot outs and it's funny, too. The character I play [a Mexican border town sheriff who faces off against a murderous cartel] was more vulnerable than ones I've played in the past and I liked that. It was exciting to get Johnny Knoxville involved – my kids are big fans.

Knoxville was a just a teenager when you were making *Terminator*...
You have to mention my age! To put it into perspective, Jaimie Alexander [Sif from *Thor*, who plays Arnie's deputy] wasn't even born when I made *Conan The Barbarian*. And *Predator*... And *True Lies*...

You're most notably famous for your catchphrase "I'll be back!" Did you always intend to return?
I always saw my movie career as ongoing. I stepped out for seven years to be Governor of California but I was never trying to be a career politician who runs for Congress and the Senate. I just felt since America has given me every opportunity to achieve in life, I should take time out to serve the people regardless of the lack of pay. I gave the money back, as a matter of fact. It was around $187,000 [£120,000] a year, which is petty cash... for me! I lost out on earning tens of millions of dollars and it also cost me – political campaigns are expensive – but none of that mattered. I wanted to help the people. It was the most educational thing I've ever done.

Working with Johnny Knoxville, were you ever tempted to do a *Jackass*-style stunt?
In his movies, the stunts work really well – when they fail! People laugh when he crawls away with broken bones and gets hospitalised. I wasn't about to try that! In my movies, it's all about how you can do a stunt and *not* get hurt. I tried to explain this to Johnny. You know, let's make things work so we don't have to close down the set. But of course he didn't listen. He crashed into a truck on a falling telegraph pole. We thought he was dead. He just said, "What a fun ride. Yay!"

Out of all the characters you've played, if they were fighting it out, who would be the last man standing?
I think they would all join forces to fight the bad guys.

"Sir, I'm afraid this is a non-smoking room..."

Most of my characters work in law enforcement or have some kind of authority. Whether they are CIA, FBI, sheriffs, policemen, spies. They're pretty much the same type of characters who bring law and order. But then there's the Terminator... I'm a machine and the complete opposite.

What can you tell us about *Terminator 5*?
We're seriously looking at that. We'll see what happens. We're writing the script now, along with a new *Conan* movie and the sequel to *Twins*, which is called *Triplets*. I'll be working with Eddie Murphy so you figure that one out!

What advice have you got for people on following their dreams?
You must always have a goal. You need a vision. Without it and a goal to strive for, you have nothing. I was absolutely convinced I would get there. My whole life, people said it can't be done. A boy from Austria becoming Mr Universe? You will fail. If you run for governor you'll lose because people don't take people from show business seriously when it comes to politics... blah, blah, blah. I've heard it all with the impossible thing but I didn't pay any attention because I believed. You need that fire in your belly to believe in yourself.

HE TOLD YOU HE'LL BE BACK!

This is actually Arnold's first leading role since 2003's *Terminator 3*!

"We're seriously looking at *Terminator 5*!" Arnold Schwarzenegger

Thanks for the chat, Arnold. Finally, you're undoubtedly the king of the one-liner catchphrase. But do you have a favourite?
There isn't just one, but everybody remembers, "I'll be back!" Or in *Commando* – "I lied!" Or when I nailed the guy with a knife in *Predator* – "Stick around!" Those are classic lines, but the interesting thing is that at the time, you never know which line is going to make it and, eventually, it's the audience that make them famous. "Run! Get to the chopper!"

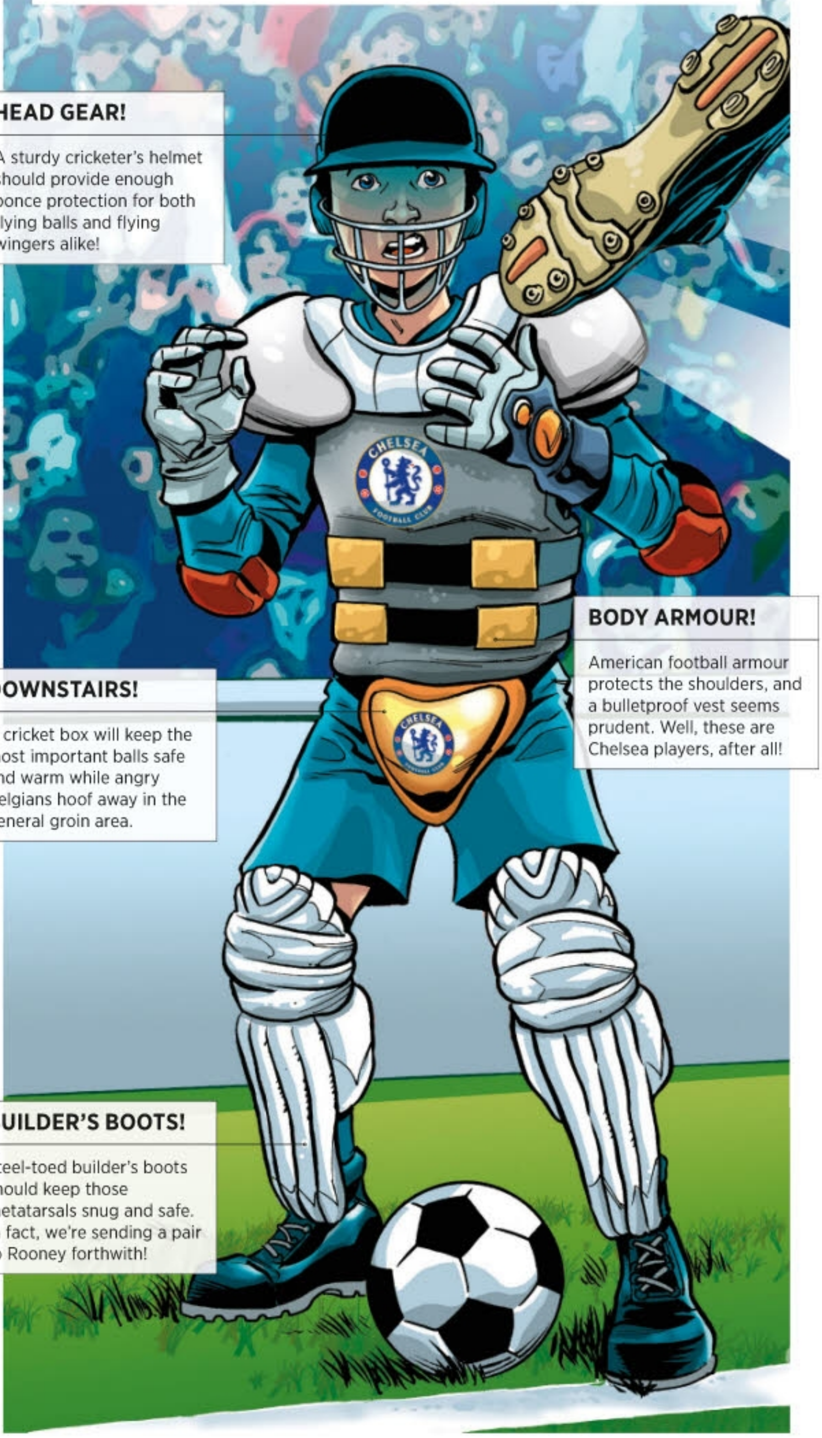
Chelsea's new ballboy kit!

Ball grabbers prepare for the next match!

➔ **FOLLOWING CHELSEA** forward Eden Hazard's unfortunate "tackle" on the Swansea ballboy during last week's League Cup semi-final, *Nuts* has been given an exclusive first peek at secret plans for the new, "footballer-ready" kit being rolled out to all future Chelsea ballboys. They're the ones who'll be facing Chelsea players the most, after all.



HEAD GEAR!

A sturdy cricketer's helmet should provide enough bonce protection for both flying balls and flying wingers alike!

BODY ARMOUR!

American football armour protects the shoulders, and a bulletproof vest seems prudent. Well, these are Chelsea players, after all!

DOWNSTAIRS!

A cricket box will keep the most important balls safe and warm while angry Belgians hoof away in the general groin area.

BUILDER'S BOOTS!

Steel-toed builder's boots should keep those metatarsals snug and safe. In fact, we're sending a pair to Rooney forthwith!

WHEN DEMOCRACY was first invented by beardy Greek bloke Cleisthenes in Athens of 507BC, he could surely have hoped for no greater use for his highfalutin votey ideas than a national get together where the chaps (and chapesses) of the nation unite as one to decide who's got the nicest boobs.

So while our chubby PM was doing his best to make us show an interest in whether some berks in Brussels should decide how much tax we pay on socks, a legion of voters were rolling their sleeves up and crowning white-hot brunette Mellisa Clarke here Page 3 Idol 2013. Well done, people! Cleisthenes, wherever he is, would be proud!

"I know! My split ends are off the hook!"

MEL'S IN THE NEWS!

Mellisa, 21, told *The Sun* she was a tomboy at school and that her look is inspired by '50s pin-ups.

"But I'm just too *pretty* to change bed sheets!

"Actually, officer, *technically*, I'm not naked!"

EXCLUSIVE!

New *Fast And Furious* car!

Ignore Vin Diesel and his spray-on vest, this awesome Nissan GT-R is the real movie star!

- **With its satin blue paint finish and severely combed bodykit, you don't need us to tell you this is no ordinary Nissan GT-R. In fact, by the end of 2013, it may well be the world's most famous R35 GT-R – it appears in the sixth in the street-race/beefcake/bikini frenzy that is the *Fast And Furious* series.**
- Chief tyre-kicker Paul Walker is a Skyline fan in real life – he owns a Skyline GT-R V-Spec, as well as a Corvette, a Porsche 911 GT3 and an Audi RS6, and races a BMW M3.
- **Before talking about the oily bits beneath, it'd be rude to ignore the origami-inspired BenSopra aerodynamic kit imported from Japan.**

WORDS: JONNY SMITH
PHOTOS: SP ENGINEERING WWW.SP-POWER.COM

The car's £135k, the bird table's thrown in free

- With a custom forward-opening bonnet, front splitter and rear wing that rises up from the rear bumper, the BenSopra panels are worth over £28k. And that's before you tot up the bill from the AMS Performance carbon roof, and carbon-fibre doors, door sills and trim supplied by Seibon Carbon in California.
- **Let's hope the car doesn't play a crashy role in the film, eh? At least it brings the weight down from the standard car's 1,740kg.**
- Straight out of the crate, a 2013 GT-R's twin-turbo 3.8 V6 develops 542bhp and shoves it to 62mph in 2.7 seconds, but this one had to go and take more 'roids.
- **Thanks to tuning specialists Switzer, this GT-R now carries one of their P800 turbo kits, while R's Tuning redesigned the cooling system and SP Engineering filled it with 100 RON race fuel, tweaked its ECU and strapped it to the rolling road. The result? A rather conservative 685bhp and 603lb/ft at the wheels. So 0 to 62mph should pass in 2.6 seconds, while top speed is around 205mph.**
- The GT-R will star alongside a Subaru BRZ, a Jensen Interceptor and a Dodge Daytona. *Fast Six* speeds into cinemas on 24 May. Ticket prices for the movie? Around £12. The G-TR? About £135k.

GT-R haunted Clarkson's dreams

Plus! Here's the new Rolls-Royce!

The luxury marque has released a teaser of its next car, rumoured to be unveiled in March. The Wraith is a sportier, £220k coupé, which, with the Ghost's 6.6-litre V12 engine should be the fastest Roller ever.

I might cheat!

I'm going on a stag do abroad soon and I'm genuinely worried that I'm going to cheat on my missus. I love her, but when I'm drunk I make silly decisions. How do I stay in control?

DUNCAN Newport

You have two options. Dump your girlfriend so that you can have one good night with your mates, or face up to the fact that she's the girl for you. Either drink less, man up and have some respect, or if you can't, leave the girl and stop wasting her time.

I'd like to try a rude ride!

I'd love to drive my missus out to the middle of nowhere and give her a good seeing to, but she's not the most adventurous. How can I get her to give it a go without coming on too strong or sounding weird?

THE STIG Wrexham

Ease her in slowly. Make it a romantic day out. Bring all her favourite foods and pick the right location. She'll want privacy behind a bush or tree. The sex must be cheeky, keep her knickers on. This way the next time you suggest a drive, she'll be comfortable with it.

LETTER OF THE WEEK!

Sex pal wants more!

I have what many people would commonly regard as a "fk buddy". My problem is I feel she's secretly got feelings for me and would eventually like it to lead to a relationship. How can I find out what her intentions are? Do you think I need to call the whole thing off?**

TED Scarborough

Girls always have secret intentions but the trick is to be honest and speak about it. Do you just have one f**k buddy or more? If you more than one, have regular sexual health checks. But this girl? Just speak to her!

Girls won't go south!

I'm at uni and not looking for a relationship at all – I much prefer no-strings sex. The only problem is that girls aren't that willing to go down on me if it's just a one-night thing. Am I doing something wrong that scares them off?

CARL Newcastle

I guess it depends what uni you go to. Most of the girls I went to uni with were open-mouthed! How often do you shower? Make sure you always smell good – that can be a factor. And do you go down on them? It's only fair!

ROTTEN LEG!

ON THE MEND!

"Unfortunately, the docs couldn't save my hair"

'I nearly lost my leg to flesh-eating bacteria!'

Nuts reader's itchy foot a bit more serious than he first thought!

➔ **WHEN A** simple dose of athlete's foot turned nasty, it almost led to *Nuts* reader Stephen Holzman, from Bracknell, losing his leg.

Stephen tells us, "I work on a building site and wear tight boots. I started getting this itching and realised it was athlete's foot, but I put off going to the doctor because I was busy. Then one day, my foot swelled so much I couldn't put it down. It was agony!"

When the doctor examined Stephen's foot, he sent him straight to hospital.

"The infection had become necrotizing fasciitis," Stephen explains, "a sort of flesh-eating bacteria. It attacks the flesh so quickly, you have a matter of hours to get rid of it."

Stephen was prepared for surgery straight away. "They said I could lose my leg and that I might even not make it. But after two operations, I'm on the mend. I recommend anyone with a fungal infection to see a doctor immediately!"

Sound advice, Stephen!

JOKE OF THE WEEK!

The price of gas!

A LADY walks into a car showroom, has a look around and spots the perfect motor. She walks over to inspect the car and bends over to feel the leather upholstery. As she bends, a loud fart escapes her. Embarrassed, she looks around to see if anybody noticed her little accident.

Relieved that she seems to have got away with it, she calls the sales assistant. "Young man, what is the price of this fine vehicle?"

The young chap replies, "Madam, if you farted just touching it, you're going to sh*t yourself when you hear the price!"

Oh Jesus!

A HOUSE burglar is on a job one night when a voice behind him says, "Jesus is watching you!"

"Who said that?" he replies.

Again, he hears the same voice: "Jesus is watching you!" The burglar looks around the room only to see a parrot. Chuckling, he says to the parrot, "What's your name, my feathered friend?"

"Cornelius," the parrot replies.

The burglar says, "What kind of person names a parrot that?"

The parrot replies, "The same kind of person who named that rottweiler behind you Jesus!"

Sticky end!

A CUCUMBER, a pickle, and a penis are having a conversation. The cucumber sighs and says, "Every time I get big, fat and juicy, they cut me up and put me on salads."

The pickle says, "Every time I get big, fat and juicy, they put me in a jar and leave me there."

The penis sighs and says, "Huh! You guys have it easy compared to me. Every time I get big, fat and juicy, they shove a plastic bag over my head, force me into a wet, dark, smelly hole, and make me do push ups until I throw up and pass out."

SLY STALLONE

The *Nuts* award-winning legend on his inner hitman and his Twitter hissy-fits…

Hi Sly! Your new movie looks totally bonkers!
Bullet To The Head is a back-to-basics action thriller. People think buddy movies are fun-loving romps. This isn't. Myself and Sung Kang are thrown together when the same psycho kills our partners. It's an anti-buddy movie. I'm a killer, he's a cop, so you can't get further apart!

Are there glimmers of yourself in these characters you play?
No question about it. Even when I played Rocky, who appears to be one step behind everybody, and Rambo, who's a pessimistic man of few words… let's just say if Sylvester Stallone was a hitman, this is how he'd act. I bring a lot of baggage with me, so it's easy for the audience to believe in me and it's the first time in my career I'm using what I call my real voice. What you're getting is the way I really I am.

Blimey, Sly! Should we start to fear for our lives?
Don't worry, I like you guys. You gave me an award! Ha-ha! This is pretty biographical. You need life experience to make this kind of movie work. The audience is either too damn smart or too damn hungry to put up with fluff.

"I only came in for a haircut!"

What was the toughest scene to shoot?
When I filmed the final showdown with Jason [Momoa], it got physical. He'd just come off *Conan* so this is a guy who knows how to swing a sword – and now he's swinging an axe! When a guy that big slams you into an iron wall, you feel it.

Do you ever think, "I don't need to put myself through this any more"?
I'm old-school, so I just suck it up and do it. This isn't a superhero movie. I always ask myself, does this look true? I want it to look like a man could actually pull this off.

Do you think these types of roles are keeping you young, then?
No doubt about it. I just love to compete. And I see a fella like Momoa, who's an unreal physical specimen but it inspires you to compete, so you do as many stunts as possible. I try not to use a double and I think audiences appreciate that. Some people think they're making films that will alter the universe, but I just want people to see mine and tell their friends it was fun and it gave them a chance to escape for a couple of hours.

There's a fair bit of tech used in this film. Are you a bit of a whizz with it all?
Are you kidding? I only just learned how to use the speaker on my iPhone! I used to tweet but it's an act of futility. You're not really making any impact and if you find yourself in a mood when you wanna be a bit controversial and you post something, you suddenly realise, "Oh my God!" because you've opened yourself up to a bunch of criticism from strangers. It might be a great promotional tool but just to make small talk, it's crazy.

When you talked to *Nuts* about *Rambo*, you said you'd put on 20kg of muscle. What was your regime like for this film?
This was quite different. Since then, I've had about four operations, making the *Expendables* movies – two on my back, a neck and an ankle fusion. So this time, I had to approach exercise in a more intelligent way, which means not lifting a lot of dead weight. I have to be more athletic so I've lost muscle tone but gained flexibility, which is perfect for this film.

INTERVIEW: DAN BRIGHTMORE PHOTOS: ALLSTAR ILLUSTRATION: MATTHEW HOLLINGS

What was it like working with director Walter Hill?
It's like playing with a chess master. They know all the moves and you're not gonna fool them. Nature moves you aside for the next young talent but quite often the next young talent has no life experience. I'd rather be in there with a battle-hardened Sergeant like Walter Hill. He's scary. There's so much talent under-used because though you may peak at a certain age, there's always something to prove. Walter's a kindred spirit. He still wants it. I want it.

> "When I run out of mountains to climb, I'll build a new one."

Thanks for the chat, Sly. Finally, like Rocky, you've rolled with the punches throughout your movie career. What lessons have you learned along the way?
When you're on top, everything's fine. But I'll always cherish an athlete or anyone who's been to the top and got knocked out, beaten to the ground. That's when you're gonna see what they're made of. Do they get up or do they just lie there and become a broken human being? That's really what life is about. Taking the beating, getting up and keep going on. Few people who fall try to get back up again but they'd be surprised – if they tried they might just succeed. I'm always looking for a new challenge. There are a lot of mountains to climb out there. When I run out of mountains to climb I'll build a new one. ✖

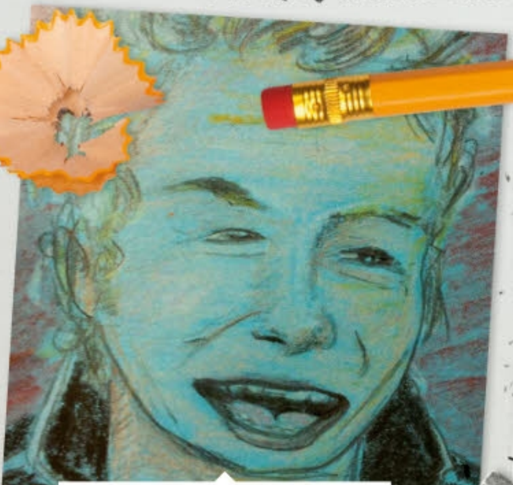
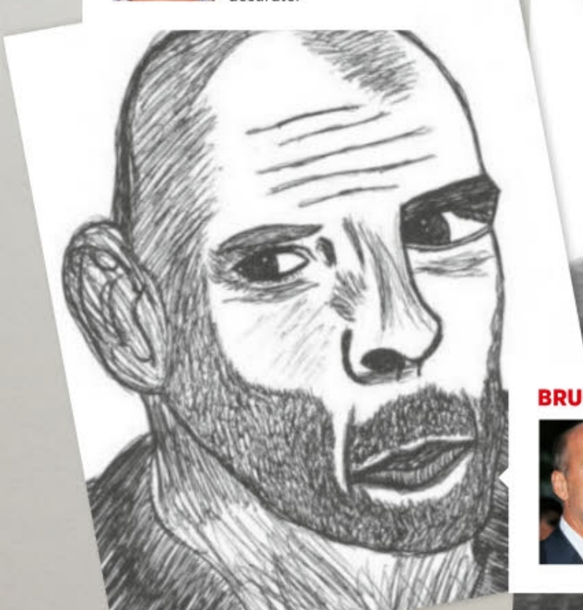
RUBBISH FAN ART!

Pictorial tributes that look more like horrific insults!



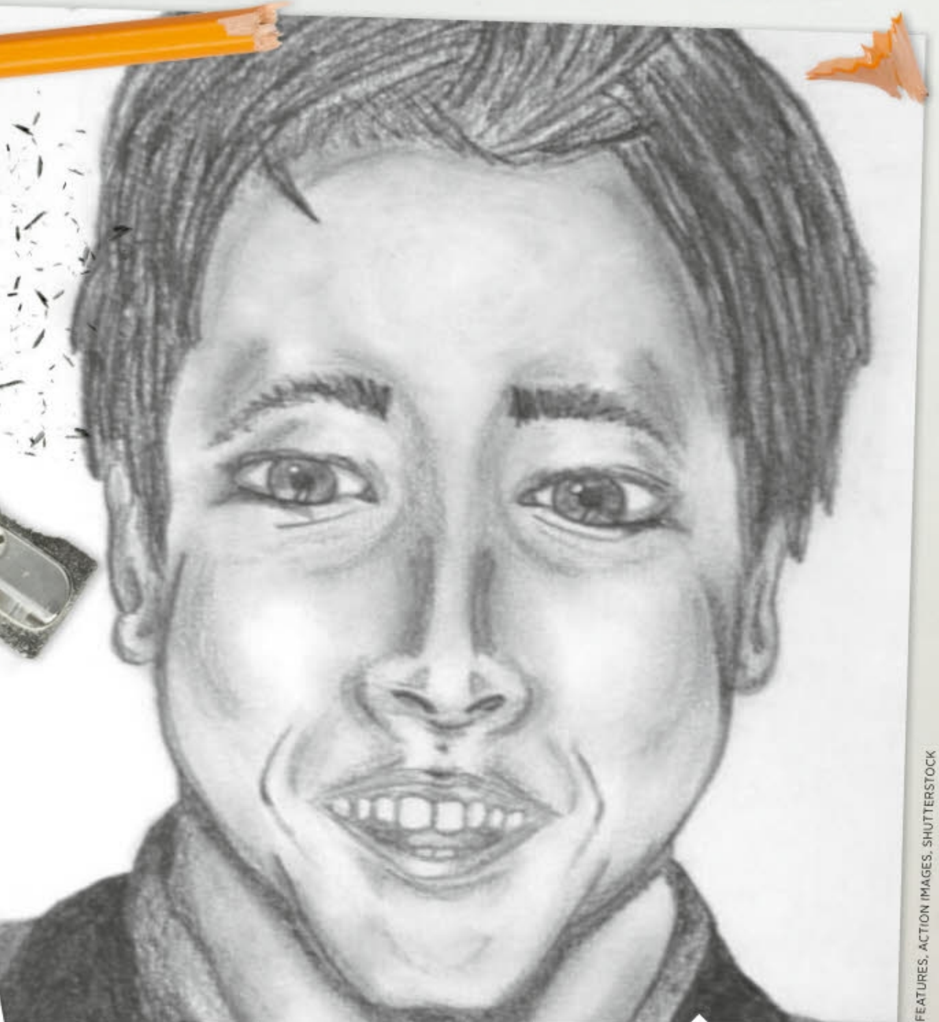
'ORRIBLE OLIVER!

This is Jamie Oliver with a gormless expression, misshapen mouth and squint. So in that sense, it's quite accurate.



BRUCE ABUSE!

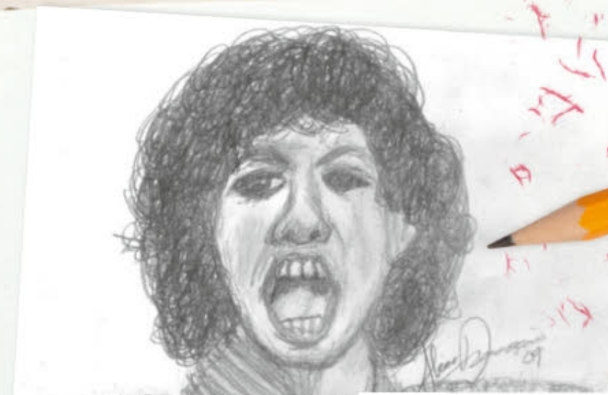
This was clearly done by someone nursing a serious vendetta against Bruce Willis. Potential bad guy for *Die Hard 6*?



MENTAL MCINTYRE!

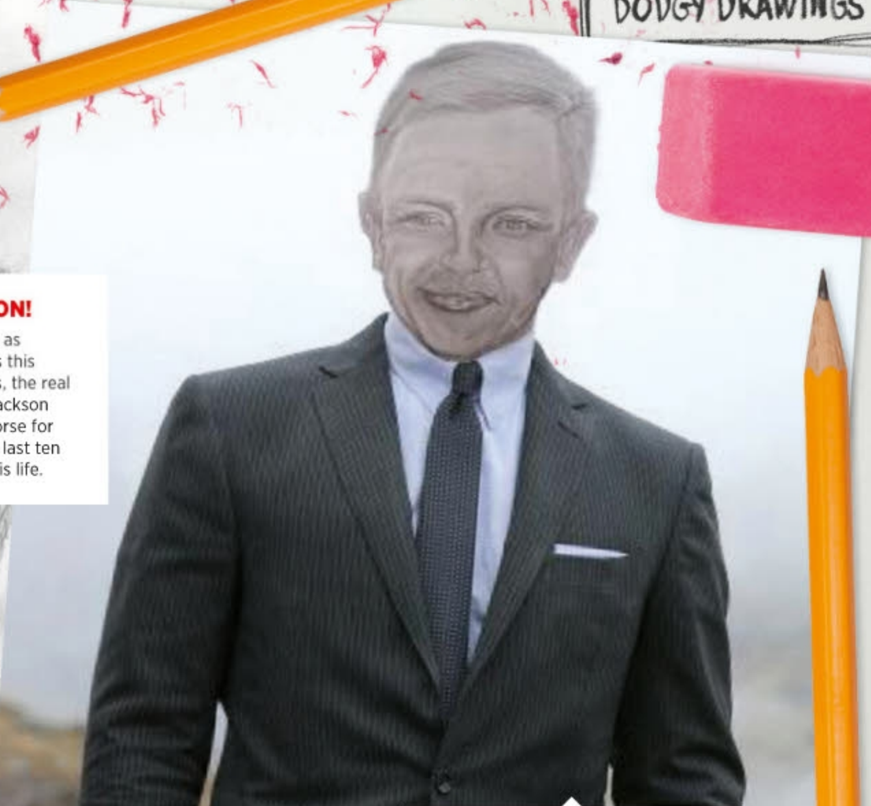
Yes, this is meant to be posh TV funnyman Michael McIntyre. Maybe he posed for this drawing when he was 12 years old.

WORDS: PETE CASHMORE PHOTOS: REX FEATURES, ACTION IMAGES, SHUTTERSTOCK



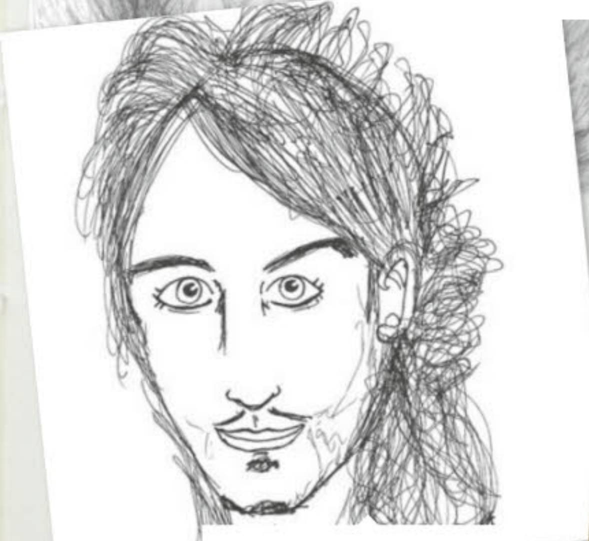
WACKSON JACKSON!

To be fair, as rubbish as this drawing is, the real Michael Jackson looked worse for about the last ten years of his life.



DOUBLE-O DREADFUL!

If *Skyfall* supervillain Javier Bardem had *really* wanted to hurt James Bond, he'd have just have shown him this!

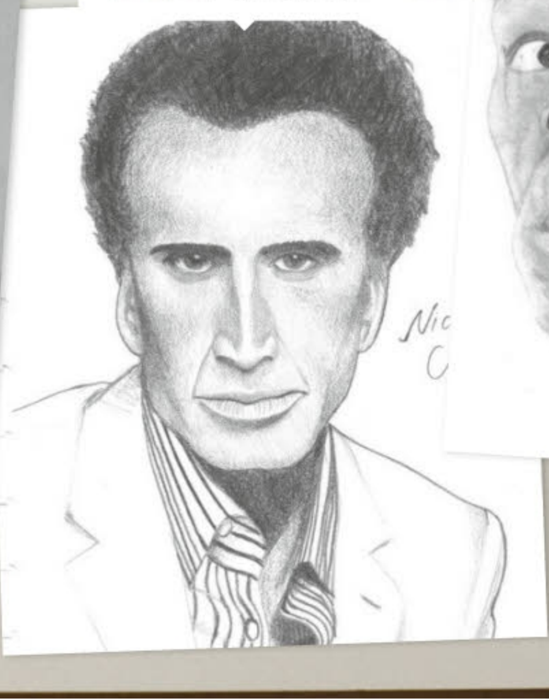


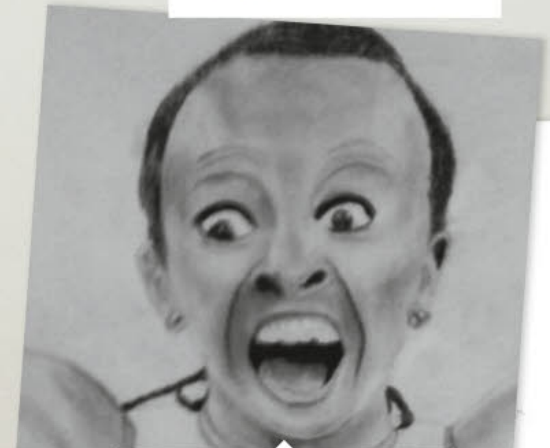
BAD BRAND!

Absurdly bad hair, thin face, beard like a porn star's foofoo – this ticks all the boxes. So how come it *still* doesn't look like Russell Brand?

CRAP CAGE!

Either Nicolas Cage has spent three weeks in a tanning salon in preparation for a role, or this portrait is rubbish. Clue: it's the latter.





DREADFUL DAME!

FIGHTING SAVED MY LIFE!

How Che Mills went from bad boy to one of the brightest British stars in the UFC...

Hello Che. Your father was sent to prison for murder when you were just five. Can you tell us about the case?
I don't remember too much about it. For me it was just normal. When you're a kid, you think everything's normal. My mum did a great job of raising both me and my brother, with a little help from my grandparents.

Did losing your dad at such a young age make you angry?
When I was a kid I was always in trouble. Today they'd probably call it ADHD, but they couldn't diagnose it at the time. It's hard to say whether that was a direct result of my dad being in prison or if I would have been like that anyway.

What were you like at school?
I was always in trouble and always fighting. I was an angry kid. I never had to go looking for trouble – it had a way of finding me!

So what sparked your interest in MMA?
I'd always had an interest in martial arts. I'd buy the magazines, try to copy the forms and teach myself in secret. My mum would never let me try it, so I hid the magazines under my bed.

How old were you when you first started in MMA?
Nineteen. My cousin, Mark Weir, who also fought in the UFC, had a gym in my home-town of Gloucester. I went there to train with him one day and just fell in love with it. It all started from there.

Do you think martial arts gave your life direction?
Yes, definitely. Before I found MMA I lived day-to-day. I went from job to job, not really accomplishing much. I had no ambition.

Which techniques did you find suited your style best?
None of them and all of them! But as I progressed, I found stand-up suited me better. It's more fun. You'll notice that I usually fight with a smile on my face. It's because I love what I do.

When did you first think that MMA was something you could excel at?
About six months ago! Until recently, I never really thought about it as a career. Then I started winning fights and thought... maybe.

You talked about being angry as a kid. When you get hit in the Octagon, do you see red?
No, you can't afford to. I did make that mistake early in my career, but the more experience you get, the more you learn to control your aggression. You have to keep your wits about you, listen to your coaches and not do things you're not supposed to do, otherwise it all goes out of the window and all the hours of training will be for nothing.

UFC
JACO
TRAINING

"Hey, I'm trying to sing to you. Stop hitting me!"

Your father's conviction was overturned just as your career was taking off. How did that come about?
There were always doubts over his guilt. There were various unsuccessful appeals over the years, then 14 years later, the evidence came to light and he was released.

How did it feel to see him again after so long?
Amazing. He came out just in time for my first UFC fight. He loved combat sports but just didn't enjoy seeing his son do it. He's not with us any more, and I like to think I made him proud.

We're sure you did. So, who are you going to dedicate your imminent victory over Matthew Riddle to?
Two people. My father and my son. My son was born around the same time as my dad died last year, so it'll be in honour of them both.

Thanks for the chat, Che. Finally, what's with the "Royalty" tattoo you've got on your neck?
A lot of people think it's down to arrogance, but they're wrong. I'm not saying I'm royalty. I'm no better than any other man. What it signifies is that everyone's royalty in their own way. Because of what I've been through, that's what I believe in the end. ✖

RHIAN SUGDEN PRESENTS...

101 Topless Celebs!

The sexiest stars say ta-ra to their bras!

RHIAN'S *CBB* STINT!

Rhian was a contestant on *Celebrity Big Brother 10* last year. She lasted 15 days before being evicted.

Hello Rhian! How are you?
Hello! I'm great. Since *Celebrity Big Brother*, I've been so busy. I'm shooting my sexy new calendar soon, and then I'm going to Barbados to escape the winter.

What are you looking forward to about the rest of the year?
I'm doing the 2013 European Modball Rally with the lovely Lucy Pinder, which visits nine cities in seven days. We're flying the flag for boobs!

You're fronting our 101 Topless Celebs. So, which star would you say has the best boobs?
I saw Lucy Pinder's boobs the other day. Not only is she a lovely girl but she's dead sexy!

Which celeb would you really love to see topless?
I'd love to see a bit more of either Megan Fox or Kim Kardashian. Or maybe both of them together!

What's the rudest thing you've seen recently?
I accidentally stumbled across Hulk Hogan's sex tape online. As much as I wanted to, I just couldn't look away.

Would you ever consider doing a sex scene for a movie?
If Megan Fox was involved, I'd definitely give it a go!

When did your boobs last accidentally pop out?
Yesterday. I was walking around naked and the doorbell rang. It was the postman with a package for me. I bet that put a spring in his step!

What was the last really rude thing you did for yourself?
Does reading *Fifty Shades Of Grey* count? I skipped the boring parts and got down to the nitty-gritty.

Finally, what's the last thing that really tickled your ribs?
Probably Hulk Hogan's sex tape. Ha-ha! No, it was *Nuts*. It always cheers me up!

"I'd do a sex scene if Megan Fox was involved!"

1 RHIAN SUGDEN
The boobtastic blonde sexed up last year's *Celebrity Big Brother*, but you lot have always been firm fans of her.

2 AMANDA HARRINGTON
We've always had a soft spot for luscious Liverpudlian Amanda – she first found fame as a *Nuts* Real Girl.

3 MEGAN FOX
A journo recently described Megan as being like "a moon in northern winters". Just call her fit, you twerp!

4 HALLE BERRY
Halle's berries have a habit of popping out, here ensuring she won't be welcome in her local library again.

5 LOUISE CLIFFE
Louise appeared in US film *Wrong Turn 3*. If this is a wrong turn, what would we find with the right one?

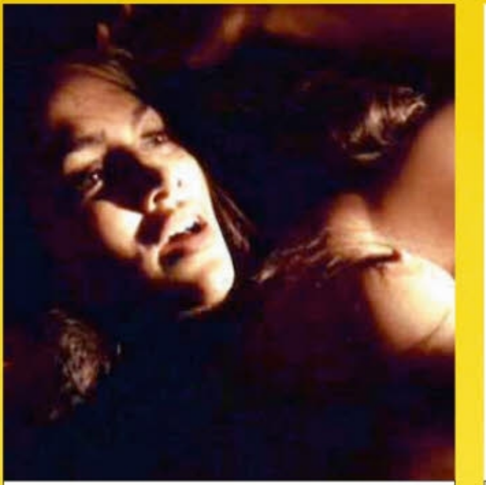
6 AMBER HEARD
Amber was in *Pineapple Express*, but it's her sex scene in *The Informers* that sees her take a place on our list.

7 KELLY BROOK
Métal Hurlant Chronicles isn't a catchy TV series name. But who cares? It starred Kelly in a sex scene!

8 DAISY LOWE
Brit babe Daisy used to go out with *Doctor Who* bloke Matt Smith. Here she is in the Tardis' sauna.

9 BILLIE FAIERS
With her big, bouncy boobs, we love Billie whether she's gracing our screens in *TOWIE* or the cover of *Nuts*.

10 RACHAEL WHITE
Rachael's the *BB* babe who looks just like Beyoncé. So, this is basically Beyoncé without her top! ▶



11 JENNIFER LOPEZ Fun fact: the pause button on Sky+ was invented just to catch this glimpse of J-Lo's boob in *Money Train*.

12 MARIA FOWLER Another one of the *TOWIE* alumni, Maria started out as a topless model, and, well, there you have it!

13 REESE WITHERSPOON How does Reese eat ice cream? Witherspoon. How does Reese impress any hot-blooded fella? Witherboobs!

15 LINDSAY LOHAN Some say Lindsay can't act, but as long as she poses for scenes like this, we'd urge her to keep on trying.

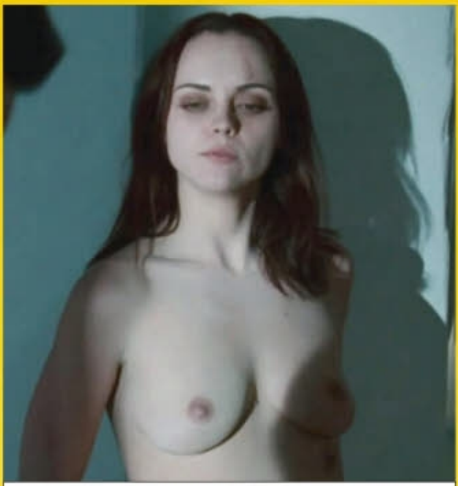
16 GERI HALLIWELL Admit it, Ginger Spice could cause your trousers to tingle. Or Booby Spice, as we've renamed her.

17 ABBIE CORNISH Here's Abbie in her 2004 film *Somersault*. What it lacks in acrobatics, it makes up for in boobs.

20 VANESSA HUDGENS We wonder if Ms Hudgens has ever been to Budgens? Doubt it. But while we check, here are her boobs!

21 BRITNEY SPEARS A new version of Brit's 2007 hit *Gimme More* leaked last year, featuring a pole-dancing topless Britney.

22 MORENA BACCARIN *Homeland* is one of the best shows on telly. But we'd watch *Mrs Brown's Boys* if it had scenes like this.



14 CHRISTINA RICCI Christina plays a depressed journo in *Prozac Nation*. Whoa, heavy stuff! Still, look – boobs!

18 CHANELLE HAYES Chanelle's shoots for *Nuts* have been getting ruder and ruder. We can only imagine what's to come in future!

19 MENA SUVARI When Mena starred in *American Beauty*, it's fair to say they weren't breaking the Trade Descriptions Act.

23 KIRSTEN DUNST Kirsten went topless in disaster drama *Melancholia*. An apocalypse and still thinking of others? What a girl!

24 AMBER ROSE The Amber pics that surfaced on the net last year are too rude to print, so here's one of her in the sea.

25 MIRANDA KERR What an interestingly floppy hat Miranda's wearing. And it's the only floppy thing on display in this pic. ▶

26 DENISE RICHARDS
Here's Denise getting naked in a movie called *Wild Things*. It won an Oscar for best use of boobs.

27 SOPHIE MONK
Here's awesome Aussie babe Sophie in a super-saucy scene from her 2007 flick *Sex And Death 101*.

28 GEMMA ARTERTON
Pants Brit-flick *Three And Out* starring Mackenzie Crook and Gemma was only bearable for two reasons.

36 ROSIE HUNTINGTON-WHITELEY
Rosie's name is a mouthful. Her boobs, meanwhile, are a real handful!

32 IMOGEN THOMAS
The *Nuts* babe makes the sea look very welcoming indeed here. Hard to believe this is Skegness!

37 ANNE HATHAWAY
We were "Hathaway" to heaven after seeing the hottie get her boobs out in 2010's *Love And Other Drugs*.

29 **ADELE SILVA**
We're pretty sure Adele isn't relaxing on the set of *Emmerdale* here. Is it ever this sunny in Yorkshire? By 'eck!

30 **KATIA IVANOVA**
Katia used to go out with Rolling Stones legend Ronnie Wood. We bet he got lots of, erm, satisfaction.

31 **KRISTEN STEWART**
Here, Kristen bares her boobs in *On The Road*. Bad girl, Kristen – you're not even wearing a seatbelt!

33 **LUCY PINDER**
Ah, the greatest glamour model of all time ever. There was no way we could leave her out of this list.

34 **BILLIE PIPER**
It wouldn't be fair to play an on-screen call girl without boobage – and Billie doesn't disappoint.

35 **SALMA HAYEK**
Mexican minx Salma had us up *From Dusk Till Dawn* thinking about how brill her boobies are. Oh dear.

38 **LYDIA BRIGHT**
TOWIE's known for astounding boobs – Lydia, Maria Fowler, the Faiers sisters, Mark Wright... Boom-boom!

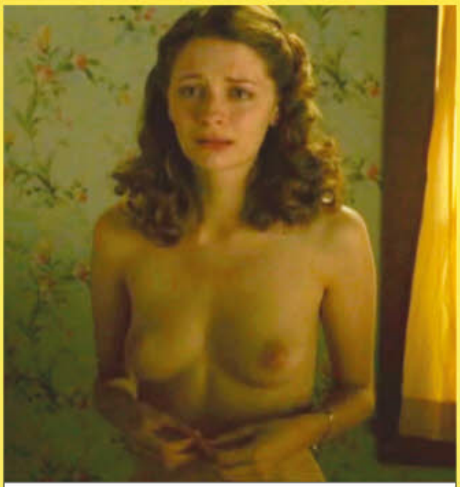
39 **JENNIFER JASON LEIGH**
Here's Jennifer in college flick *Fast Times At Ridgemont High*. Makes us wish we'd gone to uni!

40 **PAMELA ANDERSON**
The years haven't diminished Pamela's beauty, but here's a booby pic from when she was younger. ▶

41 JESSICA CHASTAIN Red-hot Jessica played a burlesque dancer in *Lawless*. *Bra-less* would have been a more fitting title!

42 LADY GAGA We prefer it when Ms Gaga keeps her clothing – like this garment here – nice and simple. And booby.

43 KAYLA COLLINS Kayla wore a tiny bikini in *I'm A Celeb...*, but we prefer this *Playboy* TV appearance, where she wore even less!



45 MISCHA BARTON Did you see 2007 flick *Closing The Ring*? Nope, nor us. But here's Brit babe Mischa topless in it. Hello there!

46 ALICE EVE Brit Alice stars in *Men In Black 3* and *Star Trek Into Darkness*, but here she is topless in *Crossing Over*.

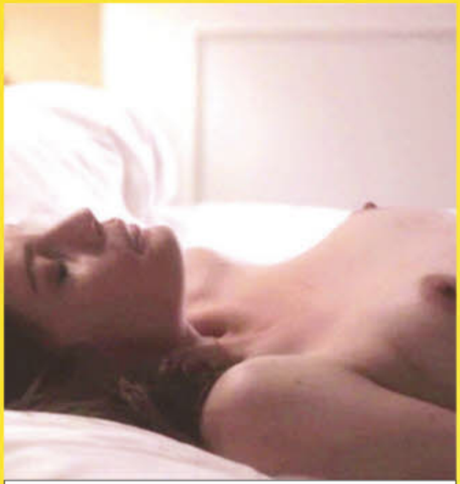
47 KATIE PRICE Katie never seems to be single for long. And, we can think of at least two reasons why. Her eyes, of course.

50 DIORA BAIRD Who wouldn't want to crash a wedding when single ladies this sexy are there? Owen Wilson's a lucky chap.

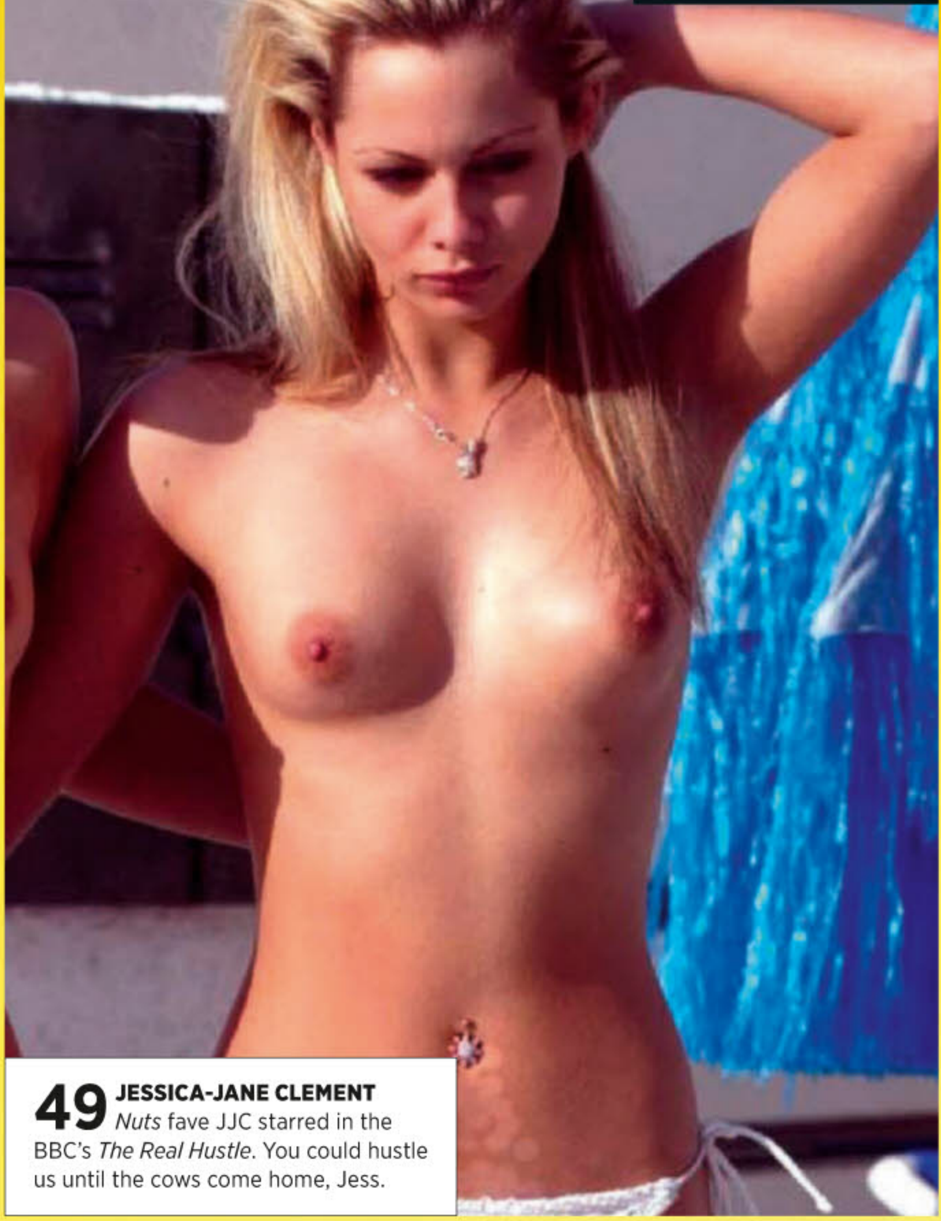
51 LILY COLE Billionaire Twitter bloke Jack Dorsey was recently seen with Lily on a yacht. Stop living our dreams, Jack!

52 KATE BOSWORTH Here's film lovely Kate, rising up out of the sea like a sexy shark striking a seal. Or something.

44 **EVA GREEN** Eva was in *Casino Royale* and has gone topless in *The Dreamers*, *Perfect Sense* and *Camelot*. Nice!



48 **LIV TYLER** "Liv" is something we'd not want to do were it not for boobs. Here are the two belonging to Ms Tyler.

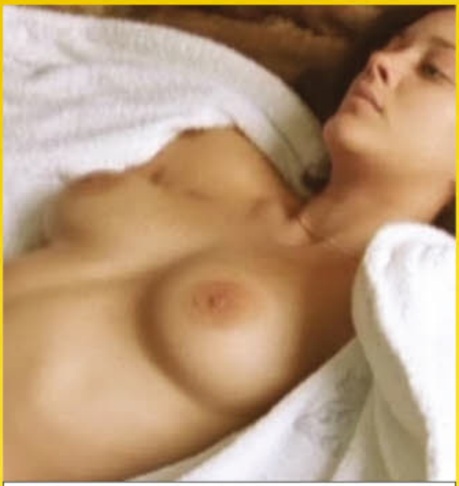


49 **JESSICA-JANE CLEMENT** *Nuts* fave JJC starred in the BBC's *The Real Hustle*. You could hustle us until the cows come home, Jess.

53 **ANNA PAQUIN** If you've ever wondered what a fairy looks like naked, here's *True Blood* star Anna to help you.

54 **TERI HATCHER** Were it not for a handrail, we'd now be looking at Teri in all of her fully nude finery. Curse you, handrails!

55 **ROSARIO DAWSON** This is a scene from *Alexander*, a film about Alexander the Great. He wasn't as great as Rosario though. ►



56 MARION COTILLARD Marion is a lovely French lady. And, unlike French men, she's utterly delightful to behold and smells nice.

57 ELLE MACPHERSON Here's proof, if you should need it, why Australian supermodel Elle is so deserving of her nickname, "The Body".

58 SAM FAIERS *TOWIE*'s Sam once said it was her dream to star in a topless shoot. We like making dreams come true.

66 UNA HEALY Una's in a group named after the best day of the week, and here she is topless. We think we're in love!

62 ANNA FRIEL Brit Anna proved she wasn't as innocent as she looks when she had a threesome in *The Tribe*. Crikey!

67 NEVE CAMPBELL Neve has a fine body of work in which she unveils her fine body at work. Here's just one example of that.

59 AGYNESS DEYN The British supermodel turned actress played a stripper in last year's *Pusher.* And here's a shot from it.

60 HELEN HUNT Helen received Oscar, Bafta and Golden Globe nominations for her role in *The Sessions*. We can see why.

61 MAXINE PEAKE Maxine has done loads of rude telly work, and TV producers continue to cast her. Woo-hoo!

63 SOPHIE READE Yes, that's the lovely Sophie Reade from *Big Brother*, and yes, they really are, aren't they?

64 HEATHER GRAHAM Heather was in *Austin Powers* and *Scrubs*, but this *Killing Me Softly* scene was what we'd been hoping for.

65 MILLA JOVOVICH Milla fought zombies in the *Resident Evil* films. We may have spotted a way she could distract them.

68 CHARLIZE THERON Sexy star Charlize let her guard – and her top – down in 2002's *Trapped*. And here's the proof.

69 PARIS HILTON Paris is worth a fortune but she's happy to share her real treasures with the whole world.

70 ROSE MCGOWAN Rose was once engaged to Marilyn Manson. So, she's sexy *and* has low standards. Perfect for us.

►

71 SELMA BLAIR This snap of Selma is from the movie *In Their Skin*. We're chuffed to be able to see her boobs in the flesh!

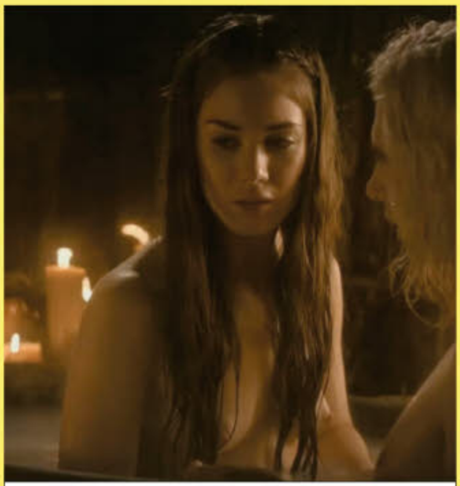
72 ALYSSA MILANO *Charmed* star Alyssa appeared naked in 1995's *Embrace Of The Vampire*. Fangs for the mammaries!

73 MELISSA GEORGE Once a soap babe, here's Melissa in a bath. We do bath first, then soap, but we're not complaining.

75 JAIME MURRAY She may have been loopy in series two of *Dexter*, but just look at her. We'd forgive your antics, Jaime.

76 OLIVIA MUNN Here's Olivia in *Magic Mike*. It's a film about male strippers. But that's what the fast-forward button's for.

77 AUDRINA PATRIDGE Sexy Audrina starred in MTV's *The Hills* and isn't shy about showing off her womanly curves. We salute her!



80 ROXANNE MCKEE *Game Of Thrones* would be great even if Roxanne didn't get her kit off. But that's not to say she shouldn't.

81 EMILY BLUNT It sounds like the sort of mush your girlfriend would like, but *My Summer Of Love* features booby Emily.

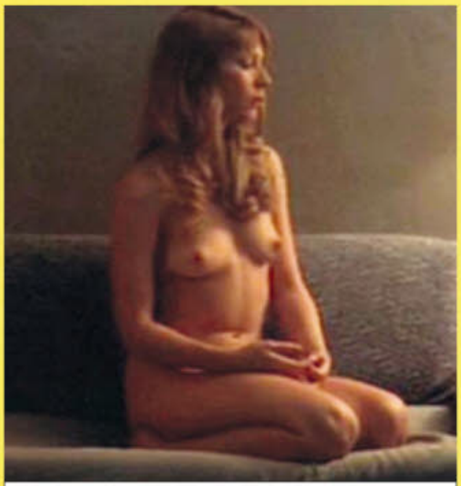
82 JODIE MARSH Lovely Ms Marsh puts the "fit" into "keep fit". Here she is showing off her tats and other subtle things.

74 CHLOE SIMS Sometimes, we think about moving the *Nuts* office to Essex to be closer to our favourite *TOWIE* girls!

78 KYM MARSH *Corrie* really should make the most of ex-Hear'Say star Kym's other talents. And we don't mean singing.

79 PEACHES GELDOF TV presenter, journalist, writer... Peaches is none of these. But she's not without her talents, as you can see.

83 KATIE HOLMES Katie's striptease in *The Gift* was voted hottest movie scene of the century. It's not hard to see why.

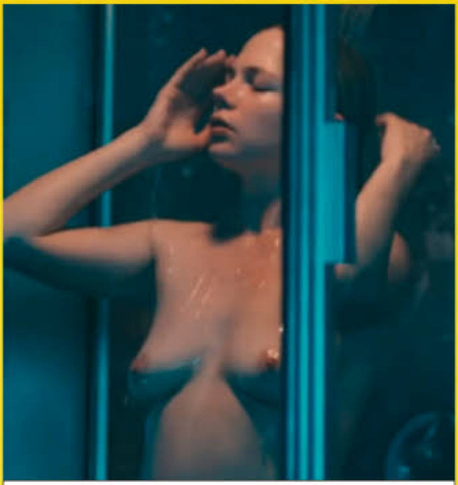


84 GWYNETH PALTROW When Chris Martin's better half stripped off for a magazine shoot, we were in para, para, paradise!

85 SIENNA MILLER We always said English rose Sienna was smoking hot, but here's the literal evidence of that.

▶

86 MARY-LOUISE PARKER Mary stars in *Weeds* and here she is in a bath. We like *Weeds*, but we prefer the last part of that sentence.



87 MICHELLE WILLIAMS Here's Michelle peeling off in *Blue Valentine*. Our Valentines are always blue. We never get any cards!

88 AMANDA SEYFRIED Amanda plays a high-class escort sent to test a cheating husband in 2009's *Chloe*. We'd give in!

96 ERIN MCNAUGHT Erin joined *Neighbours* for a spell in 2008 in the hope of sexing up Ramsay Street. Job done, sport!

92 KERRY KATONA If Atomic Kitten's new stuff sounds as good as Kerry looks, music will be the better for it. And amazed.

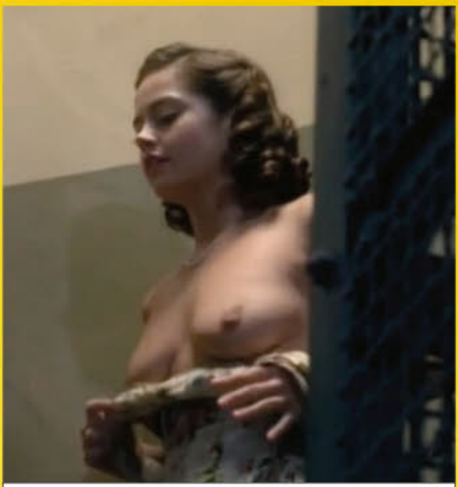
97 HOLLY HAGAN 2012 was a truly great year for Britain, not least because of Holly's first topless shoot in *Nuts*.

89 KELLY ROWLAND

Kelly blamed this "accident" on a wardrobe malfunction. We salute shoddy wardrobes everywhere!

90 OLIVIA WILDE

If you're tempted to smoke on seeing this pic, keep looking at it – you'll soon experience other cravings.



91 JENNA-LOUISE COLEMAN

Jenna-Louise stripped off in racy BBC Four drama *Room At The Top*. Plenty going on up top here!

93 LAUREN POPE

Is there no end to model, DJ, music producer and actress Lauren's talents? No, as this pic demonstrates.

94 HEIDI KLUM

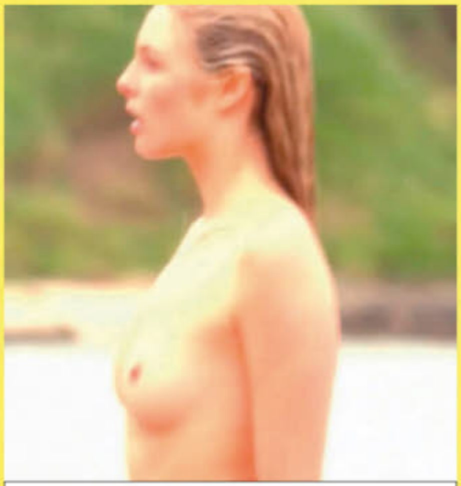
While Heidi spent Christmas sunbathing, we were busy stuffing our faces with Toblerone. You win some...

95 ROXANNE PALLETT

In *Lake Placid 3*, Roxanne goes extremely nude then gets eaten by a giant croc. We prefer the first bit.

98 LESLIE MANN

Acclaimed film producer Judd Apatow's married to lovely Leslie. Some blokes really do get all the luck.



99 TAMSIN EGERTON

The *St Trinian*'s franchise is a veritable avalanche of foxy, vaguely posh ladies like Tamsin here. Cool!

100-101 THE SHANNON TWINS

Last year's *CBB* was a booby treat with these *Playboy* Playmates! ✖

Friday 1 February

"Prince Harry had really lost the plot this time"

The Dictator

SKY MOVIES PREMIERE/HD • 8pm

Sacha Baron Cohen turns his hand to a proper Hollywood-style movie, as opposed to his usual mockumentary type, in this super-slick comedy. He plays spoilt racist dictator Admiral General Shabazz Aladeen, who gets kidnapped in New York. Then he meets a US girl. Packed with laughs and cameos, this is great fun!
★★★★★

"What am I doing in Barcelona's club shop?"

John Bishop's Only Joking

SKY1/HD • 8.30pm

The chuckly Liverpudlian introduces another load of quality gags to help ward off the winter blues. Comics Dan Nightingale, Mick Ferry and Tom O'Connor deliver the funnies tonight, along with sporty *Nuts* heroes Robbie Savage and Ricky Hatton.
★★★

"Any news on where the other chairs are, mate?"

The Last Leg

CHANNEL 4/HD • 9.30pm

It's great to have top chaps Alex Brooker, Adam Hills, and Josh Widdicombe back on our screens to set the world to rights. They did a sterling job of smashing taboos and giving us all a good giggle along the way during the Paralympics. Packed with live studio challenges and recorded segments, this is great fun.
★★★★

LESBIAN VAMPIRE KILLERS

BBC ONE • 11.25pm

A terrible film, but its saving grace is loads of hot ladies locking lips, like Silvia Colloca and Vera Filatova.

Saturday 2 February

"Look! I'm pretending to be a zombie!"

England vs Scotland

BBC ONE • 3.30pm

Following the Six Nations opener between Wales and Ireland, it's the battle for the Calcutta Cup. Scotland have a new interim coach in Scott Johnson, but anything other than an England win against the 2012 wooden spoon-wielders would be a surprise.
★★★★

"Meet the twiplets"

The Jonathan Ross Show

ITV/HD • 9.45pm

Crikey! There's a fine old line-up this week, consisting of two top funnymen (Eddie Izzard and Russell Brand), an even more top nature docu god (Sir David Attenborough) and, best of all, *The Expendables* star Dolph Lundgren. And Pulp do the music!
★★★★★

"OK, OK – we'll watch *Glee*!"

UFC 156

ESPN/HD • 3am

Two of MMA's most electrifying stars collide as former lightweight champ Frankie Edgar unleashes his lightning fists and grappling skills on all-but-superhuman featherweight champ Jose Aldo (above right). If you don't "get" UFC, this could well change your mind. Expect a fireworks display of energy, skill and amazing courage.
★★★★★

BETTING SLIP

PUNT OF THE WEEK!

FULHAM VS MAN UNITED

ESPN/HD • 4.30pm

The number of times United have conceded first and won – including the reverse fixture of this – is nearing double figures. Go for that in this one.

Sunday 3 February

"Barry, I'm telling you – this isn't the way to Tesco!"

Top Gear

BBC TWO/HD • 8pm

They may be no more than overgrown kids with bad hair, but you'd be hard-pushed to find three blokes with a cooler task than the one taken on by Jeremy, James and Richard here as they race the Lexus LFA, Aston Martin Vanquish and Dodge Viper across the western side of America. Typically, it's not long before the bickering starts.
★★★★★

"Steve Brookstein tribute act needed? I'll take the details!"

Person Of Interest

CHANNEL 5/HD • 9pm

It's the second half of the first series. Reese and Finch are back saving the world using their special machine when it spits out the name of Andrea Gutierrez, a lawyer who has baddies trying to off her. Lucky for her, she's under Finch's watchful eye.
★★★★

"Is this where the group hug is? I can't see a thing with this on"

Super Bowl XLVII

BBC TWO/HD & SKY SP 1/HD • 11pm

Beers ready? Check! Pals in place? Check! Sickie excuse memorised? Check! It's the 47th Super Bowl, this year from the appropriately massive-sounding Superdome in Louisiana, where San Francisco 49ers face Baltimore Ravens. Plus, Beyoncé's doing the half-time show! Will she mime? Who cares? Just look at her!
★★★★★

MOVIE ALERT!

GIA

SKY ATLANTIC/HD • 9pm

One of Angelina Jolie's earlier films, she plays a lesbian model, Gia, who gets naked. A lot.

Monday 4 February

The new security guard was a bit keen

Arrow

SKY1/HD • 8pm

If we were Arrow, we'd be tempted to kick back and leave the crime-fighting to others. He's a billionaire playboy in his spare time, after all. We get why he wants to see bad-guy ass kicked here, though. His sister Thea is caught using drugs, so Arrow and the vice cop go after the dealer – a charming-sounding type known as The Count.

★★★

"I just *love* the pattern in this carpet!"

Criminal Minds

SKY LIVING/HD • 9pm

The FBI superboffs use their superbrains to figure out serial killers' patterns and bring them down. In this one, the agents chase a killer who has murdered in several cities within a few hours. We suggest searching for Superman gone bad. One clue is the victims received loads of texts before their deaths. Good luck with that.

★★★

"This hotel's complimentary items are outstanding!"

Catfish: The TV Show

MTV • 10pm

If you fancy yourself as a bit of a head shrink, this show will fascinate you. It follows people who've been dating online – in this case, single mum Jasmine. She's been chatting to Mike for over two years, even though he only lives 15 minutes down the road!

★★★★

SOFA AMMO

JAWS

ITV4/HD • 9pm

Charlton *"Planet Of The Apes"* Heston was so peeved with Steven Spielberg for knocking him back for the main role in this that he vowed never to work with him.

Tuesday 5 February

"I'm worried about your conjunctivitis"

The Cleveland Show

E4/HD • 10pm

Donna decides it's time for the Brown family to have a new addition, so Cleveland has to conceal from her the fact he's had the snip. When she finds out, she decides to get her own back by pretending she's up the duff. Oh, what a tangled web they weave!

★★★★

"I knew that microwave was playing up"

Utopia

CHANNEL 4/HD • 10pm

One of the best shows on Channel 4 continues its mind-messing. The gang have escaped the clutches of Arby, but Alice's murdered mum weighs on their minds. Wilson starts figuring out the message in the manuscript. And Dugdale, the absolutely screwed government bod, thinks he may have found a way out. Naturally, he hasn't.

★★★★★

He wasn't the most motivated TV salesman

The Following

SKY ATLANTIC/HD • 10pm

To recap, Joe Carroll is a dastardly serial killer locked up in the clink. But he's managed to gather himself a following. Kind of like a cult, this following are happy to do the murdering on his behalf. Cunning! Ex-FBI vet Ryan Hardy (Kevin Bacon) and the FBI are out to stop one of Carroll's disciples doing the killing.

★★★★★

GAG OF THE WEEK!

ALTERNATIVE COMEDY EXPERIENCE

COMEDY CENTRAL/HD • 11pm

"I found the face of Jesus in my cornflakes. How p*ssed was he last night?" – Boothby Graffoe

Wednesday 6 February

"Brilliant! I'm balancing on one leg!"

England vs Brazil

ITV/HD • 7pm

In terms of meaningless friendlies, you'll find few as meaningless as this, although with the Brazilians facing Roy Hodgson's men, it should be pretty entertaining. Basically, it's to celebrate 150 years of the FA, so if you want to pay tribute to the current set-up in all its inherent cluelessness, by all means tune in and cheer.

★★★★

NEW SERIES!
"This stupid Alice band's been slipping all day!"

Sons Of Anarchy

5USA • 10pm

This amazing biker-based drama, hidden away on 5USA, is simply not to be missed. Series five kicks off with Jax now president of the club. His first job is to deal with the Niners, who come calling to seek revenge against Tig. Clay's still hospital-bound, thanks to Opie shooting him. And then there's the Real IRA...

★★★★★

"You should really try some moisturiser"

Africa

BBC ONE/HD • 9pm

The last of a remarkable series looks at the future of the continent and the animals, many of them endangered, who live there. The most impressive is the black rhino, which we'd like as a pet. Elsewhere, David Attenborough assesses the effects of civil war on the wildlife of Mozambique, and hangs out with heffalumps.

★★★★★

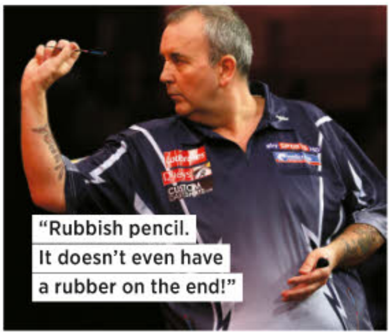
Classic Telly!

THE SHINING

ITV4/HD • 10pm

Jack Nicholson is incredible as the writer who descends into madness while spending winter with his family in an isolated hotel. Quite simply one of the scariest films ever!

Thursday 7 February



"Rubbish pencil. It doesn't even have a rubber on the end!"

Live Darts

SKY SPORTS 1/HD • 7pm

Is it time for the Premier League again already? It surely is! And so we're off to Belfast, where the tie of the night is reigning champ Phil Taylor against the next most likely contender, Michael van Gerwen. We also like the look of Adrian Lewis against the Aussie with the absurd ponytail and beard, Simon Whitlock. Should be an epic evening.

★★★★

"Yep, I've lost my key and I'm *still* looking smug!"

Charlie Brooker's Weekly Wipe

BBC TWO/HD • 10pm

Super-sarky Charlie Brooker can do no wrong at the moment – his mighty *Black Mirror* series is back on screens next week. In the meantime, we're loving this swipe at the world's news, which does a great job of bringing big stories down a peg or two.

★★★★

"You're right – Brooker's beard really is ginger!"

Way To Go

BBC THREE • 10pm

The assisted suicide business isn't an easy one to navigate. Scott, who's been pilfering veterinary death drugs from his day job, is desperate to leave that thanks to his female boss' continued sexual harassment. Meanwhile, brother Joey's gambling again and Cozzo has to pretend he's Jewish. Quality black comedy.

Spin the Roulette wheel with *Nuts* Games!

Win £100 with our Roulette Prize Draw!

ROULETTE IS a great casino game that anyone can play! Players bet on a number, a range of numbers, red or black or whether the numbers will be odd or even, high or low. To determine the winning number and colour, the croupier – or, in our case, the computer – simply spins the wheel and bungs the ball into it. The ball eventually loses momentum and falls into one of 37 coloured and numbered pockets. If it lands on the ones you've placed a bet on, you win!

Playing tips

- **Try starting out with even-money bets, such as red/black and even/odd numbers.**
- Remember that Roulette is a game of chance and unpredictability.
- **Start off small until you get used to exactly how the game works.**
- Remember that individual numbers, while giving big returns, also have very high odds of 35/1.

Nuts man says...

"I started out with £35 and followed the *Nuts* playing tips which really got me going! When I got a little more used to it I took a few more chances by placing some bets on single numbers. After about half an hour I was down to £20, but I kept going as I was really enjoying myself and before I knew it I was **£90** up! Quite an achievement for my first time on *Nuts* Games!"

Ben R won £11,401 in the Lounge

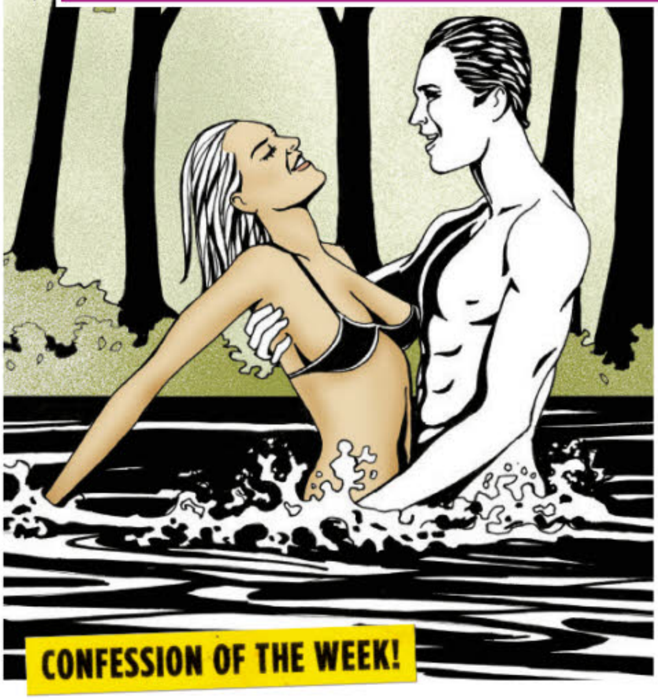
LADIES CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

'We turned the lagoon blue!'

DURING THE summer, when the weather was a darn sight warmer than it is now, my boyfriend and I went for a walk in the woods. After an hour, we were really hot. We spotted a little pool and as there was no one around, we stripped off and jumped in. My boobs were jiggling and I soon realised he was hard. I took his erection and pulled it into me. Soon we were rocking and splashing about as we did it in the lagoon, groaning loudly. We walked past it the other day, all iced over, and giggled as we reminisced about our summer fun!

'We had fun at the fair'

THERE WAS a big funfair in town recently, so me and my fella decided to pop along. We got on a slow ride that was fairly dark and boring from the start. My boyfriend started to slide his hand up the leg of my shorts, giving me a knowing wink as he did so. As I moved my hand to his lap, I giggled to find his manhood already out and erect! I had a quick look around and – seeing that the ride was pretty empty – bent my head down and took him in my mouth. I heard him fiddling around in my handbag and then he produced my bullet vibrator, shoving it down my trousers and onto my clit. It felt amazing and I wanted to scream out loud. He could tell I was close to coming and I had to bury my head in his armpit as I felt my body shudder. He followed by filling my mouth with his warm stuff. We got a few disgusted stares as we left the ride – it was pretty obvious what we'd been up to!

'Our shortcut turned sexy'

I WAS walking back from the pub one night with this bloke I'd been seeing. We felt a bit frisky and decided to take a shortcut through a wooded area. It was very dark and we soon found a quiet spot where we both pulled down our trousers. As I bent over and held on to a tree, he entered me from behind. The darkness just turned me on even more. After a while, I turned round, knelt down and sucked him until he came. It was the sexiest walk home ever!

'I took him on the balcony'

I HAD to house-sit recently for some rich friends of my parents. Their house was amazing, with grand rooms and a huge garden. One night, I invited a few friends round. I'd been with one of the guys a long time ago, but I'd always wanted to go back for more. After a few drinks, I offered him a tour. I showed him the room I was staying in, which had its own balcony. We went out there and, before he knew what was going on, I'd dropped to my knees and was undoing his flies. I took him in my mouth until he was hard, then he entered me deep from behind, making me gasp, playing with my clit and pulling at my nipples, until he flipped me over and came all over my huge breasts. I'll never forget just how incredible he was!

10 RUDE QUESTIONS!

And a real girl to answer them!

Karmella

22 **Brighton**

1 Where's the strangest place you've had sex?
"During a really dull film, I did it with my boyfriend in the cinema toilets!"

2 What's your trademark move in the bedroom?
"I've been told I'm a lady in the street but a freak in bed. So there's a sneaky clue for you, guys."

3 What turns you on?
"Being in control. I love a bit of a fetish and dominator vibe. I get a real kick and feel extremely empowered when I'm controlling a man."

4 What's your favourite position?
"Any position that's snug, tight and hard!"

5 Is it better to give or receive?
"I know what I like and how I like it done, so I give the orders and receive exactly what I want!"

6 What one thing would you really like to try but haven't yet?
"Body paint. I think it would be a real turn-on to paint every inch, crease and line on your sexual partner's body. Perhaps it could be edible body paint."

7 Have you ever got it on with another girl?
"I have in my dreams! I have a recurring dream that myself, Megan Fox and Rihanna get more than a bit fruity and make a sex tape. If there was such an opportunity, I'd take it!"

8 What's your role-playing costume of choice?
"I was *Nuts*' Christmas 2012 Bedroom Babe and wore a festive bra and knickers. I adored rolling around on a sheepskin rug in front of a huge fireplace. Red's also my favourite colour!"

9 Have you ever made a sex tape?
"I made a very amateur tape but it was more of an audio as the camera moved and all you could see was the ceiling. I think another filming is in order!"

10 What's the single rudest thing you've ever done?
"I went shopping in nothing but a white fur coat, black lace underwear, silk stockings, red heels and a smile. I felt really naughty!"

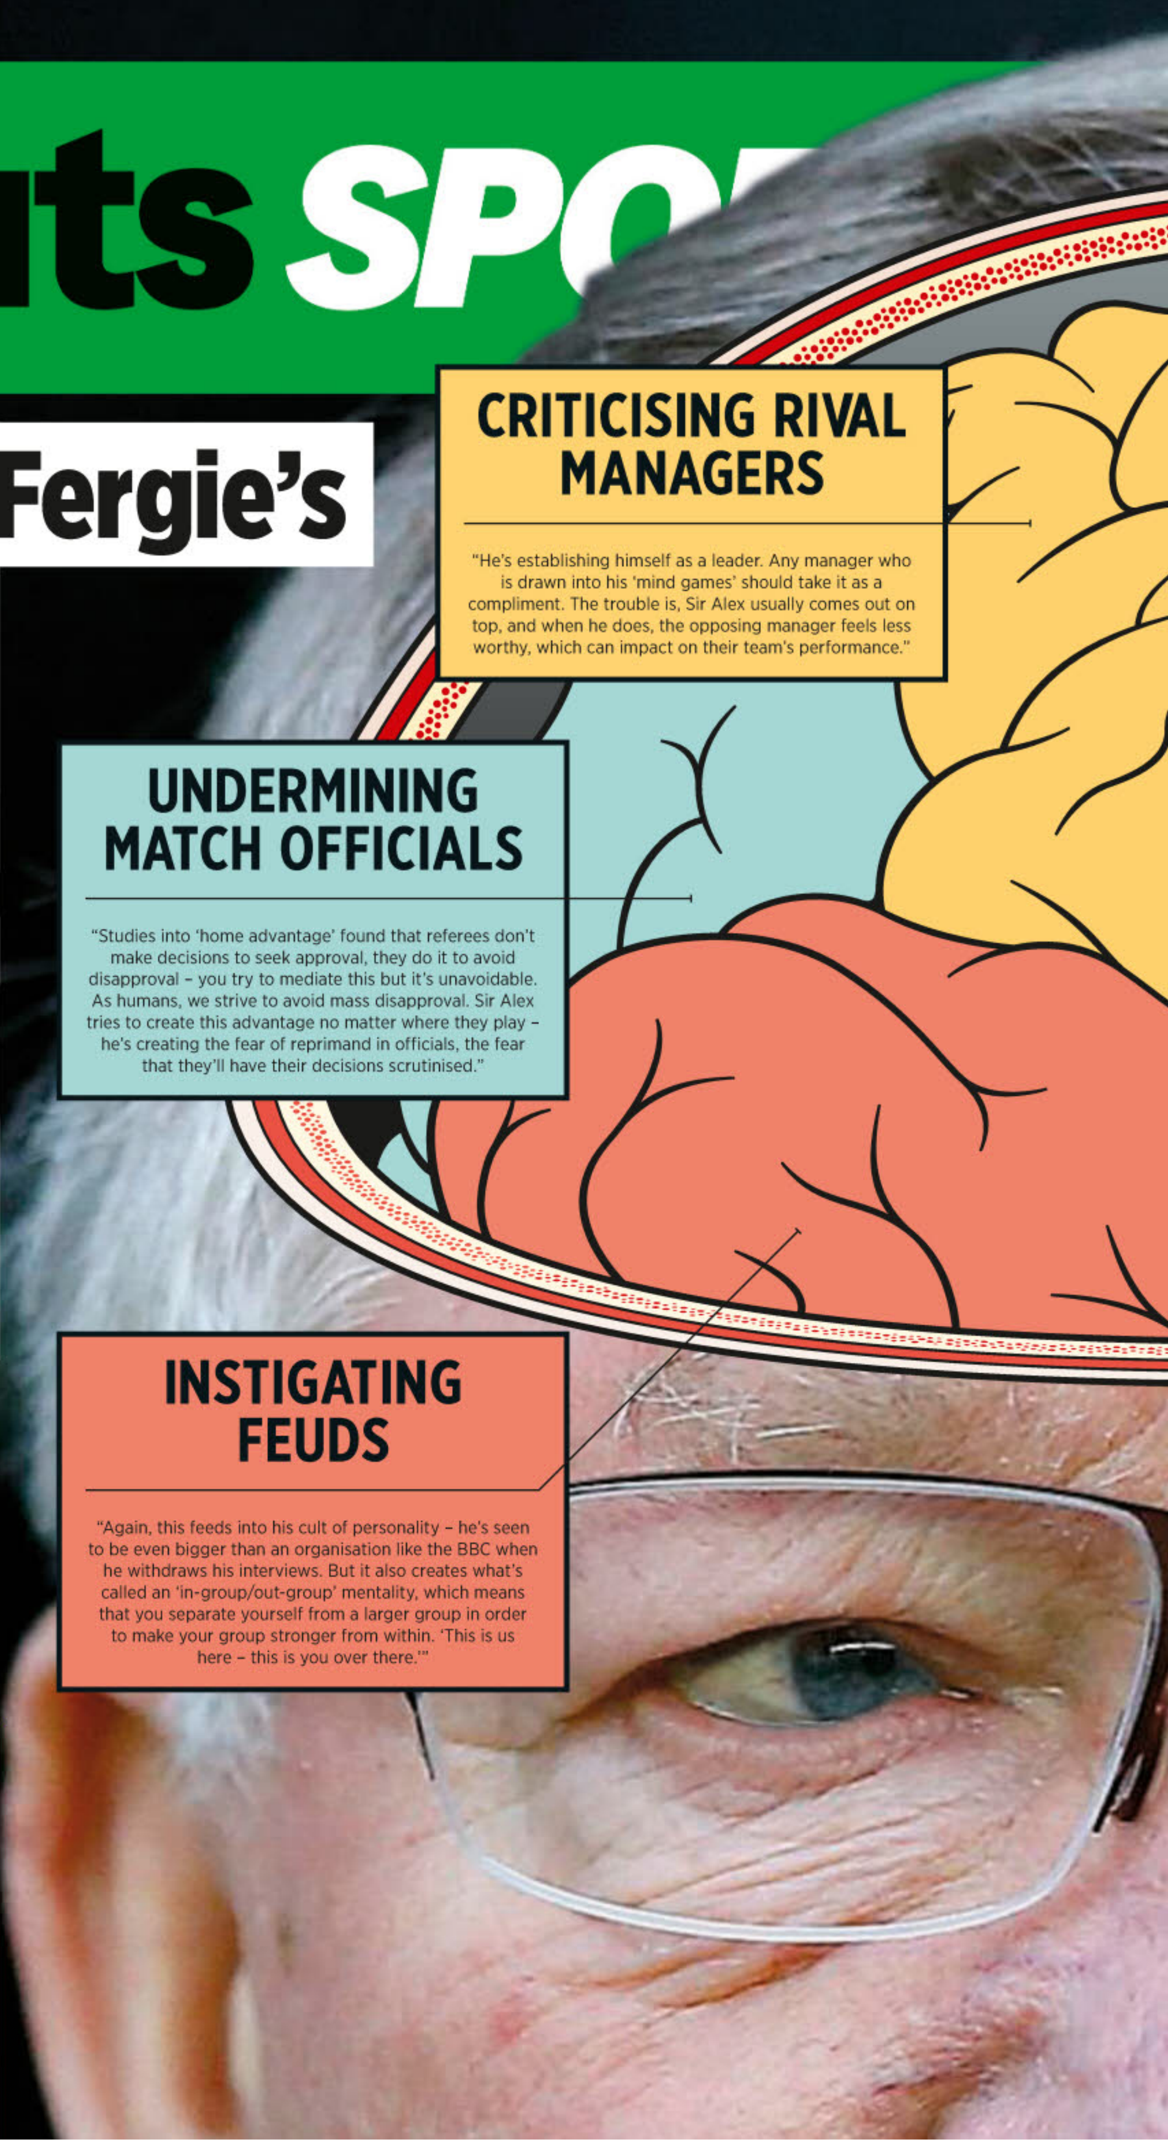
Inside Fergie's brain!

Evil genius or mad moaner? An expert reveals all!

WORDS: PETE CASHMORE PHOTOS: ACTION IMAGES ILLUSTRATION: MARK WATKINSON

➔ **WHEN SIR** Alex Ferguson called Newcastle a "wee club" recently, *Nuts*' own Kammy reckoned it was the start of Sir Alex's famous "mind games" for the season, rating him "the best there is." But what exactly are Fergie's mind games for? Is he a cunning genius or just a bloke who likes getting people's backs up? We asked sports psychologist John McDermott to talk us through Fergie's tricks of the mind...



CRITICISING RIVAL MANAGERS

"He's establishing himself as a leader. Any manager who is drawn into his 'mind games' should take it as a compliment. The trouble is, Sir Alex usually comes out on top, and when he does, the opposing manager feels less worthy, which can impact on their team's performance."

UNDERMINING MATCH OFFICIALS

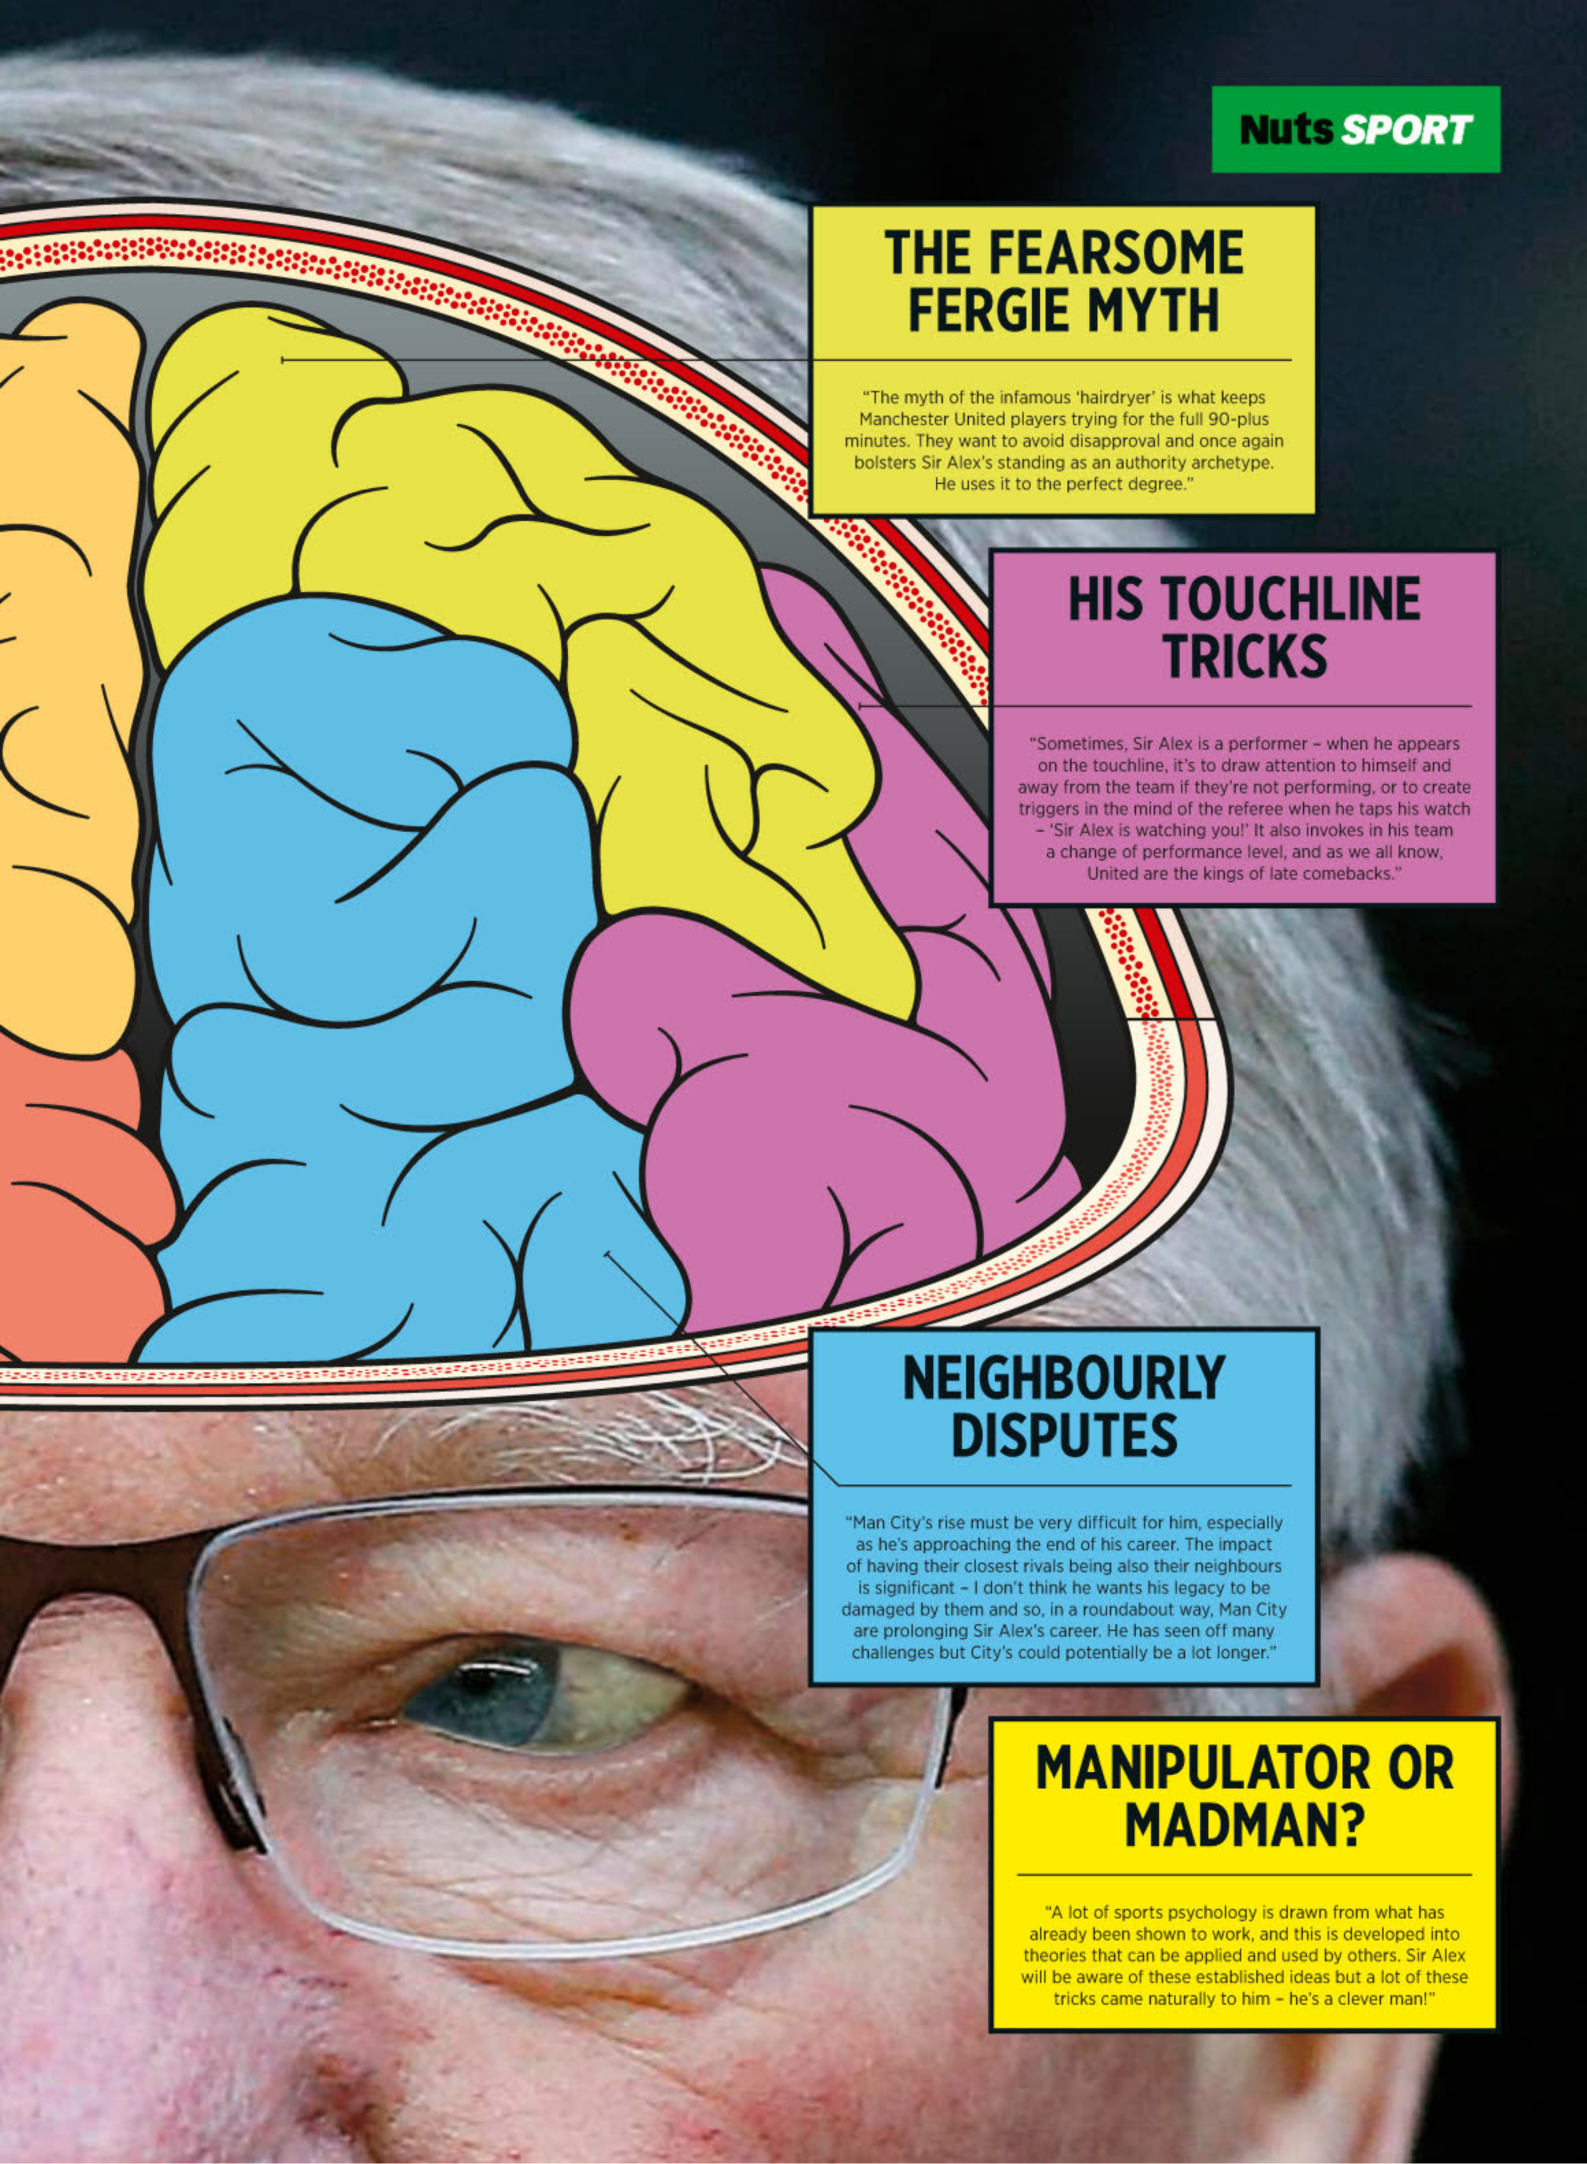
"Studies into 'home advantage' found that referees don't make decisions to seek approval, they do it to avoid disapproval – you try to mediate this but it's unavoidable. As humans, we strive to avoid mass disapproval. Sir Alex tries to create this advantage no matter where they play – he's creating the fear of reprimand in officials, the fear that they'll have their decisions scrutinised."

INSTIGATING FEUDS

"Again, this feeds into his cult of personality – he's seen to be even bigger than an organisation like the BBC when he withdraws his interviews. But it also creates what's called an 'in-group/out-group' mentality, which means that you separate yourself from a larger group in order to make your group stronger from within. 'This is us here – this is you over there.'"

THE *NUTS* BOFFIN!

Chelsea-based performance and sports psychologist John McDermott helps many top athletes.



THE FEARSOME FERGIE MYTH

"The myth of the infamous 'hairdryer' is what keeps Manchester United players trying for the full 90-plus minutes. They want to avoid disapproval and once again bolsters Sir Alex's standing as an authority archetype. He uses it to the perfect degree."

HIS TOUCHLINE TRICKS

"Sometimes, Sir Alex is a performer – when he appears on the touchline, it's to draw attention to himself and away from the team if they're not performing, or to create triggers in the mind of the referee when he taps his watch – 'Sir Alex is watching you!' It also invokes in his team a change of performance level, and as we all know, United are the kings of late comebacks."

NEIGHBOURLY DISPUTES

"Man City's rise must be very difficult for him, especially as he's approaching the end of his career. The impact of having their closest rivals being also their neighbours is significant – I don't think he wants his legacy to be damaged by them and so, in a roundabout way, Man City are prolonging Sir Alex's career. He has seen off many challenges but City's could potentially be a lot longer."

MANIPULATOR OR MADMAN?

"A lot of sports psychology is drawn from what has already been shown to work, and this is developed into theories that can be applied and used by others. Sir Alex will be aware of these established ideas but a lot of these tricks came naturally to him – he's a clever man!"

EXCLUSIVE!

Jim White: 'There's no rush like Deadline Day!'

As the big day looms for mid-season transfers, *Nuts* speaks to Sky Sports News' anchorman!

His Abramovich impression was coming on

ANYONE WITH a keen interest in football transfer gossip, whether it be wild speculation or up-to-the-minute fact, will know the face and name of Jim White. When Transfer Deadline Day comes around, Jim is the man on Sky Sports News and Sky Go who sorts the scoops from the poop and tries to keep his head when the rest of football is going deadline-loopy. So *Nuts* asked him to describe just another Transfer Deadline Day at the office...

Hi Jim! Why do you think Sky's coverage of Deadline Day has become so huge?
It's strange, but sometimes at games in the run-up to Deadline Day, fans are talking more to me about what I know rather than the imminent game. When I'm on the train home from games with my cap pulled down over my face, you'll see dozens of people watching the transfer news on their phones. We seem to have instilled in people a sense of occasion and urgency. We didn't foresee it happening, that's for sure.

So do you know more than the man on the street?
Ha-ha! Oh yeah, I'm immersed in the whole thing, and my phone's ringing non-stop telling me what might or might not happen – managers, agents, players. When I go on air on the day, I have a rough idea of what might happen, but when the night begins, anything could go down.

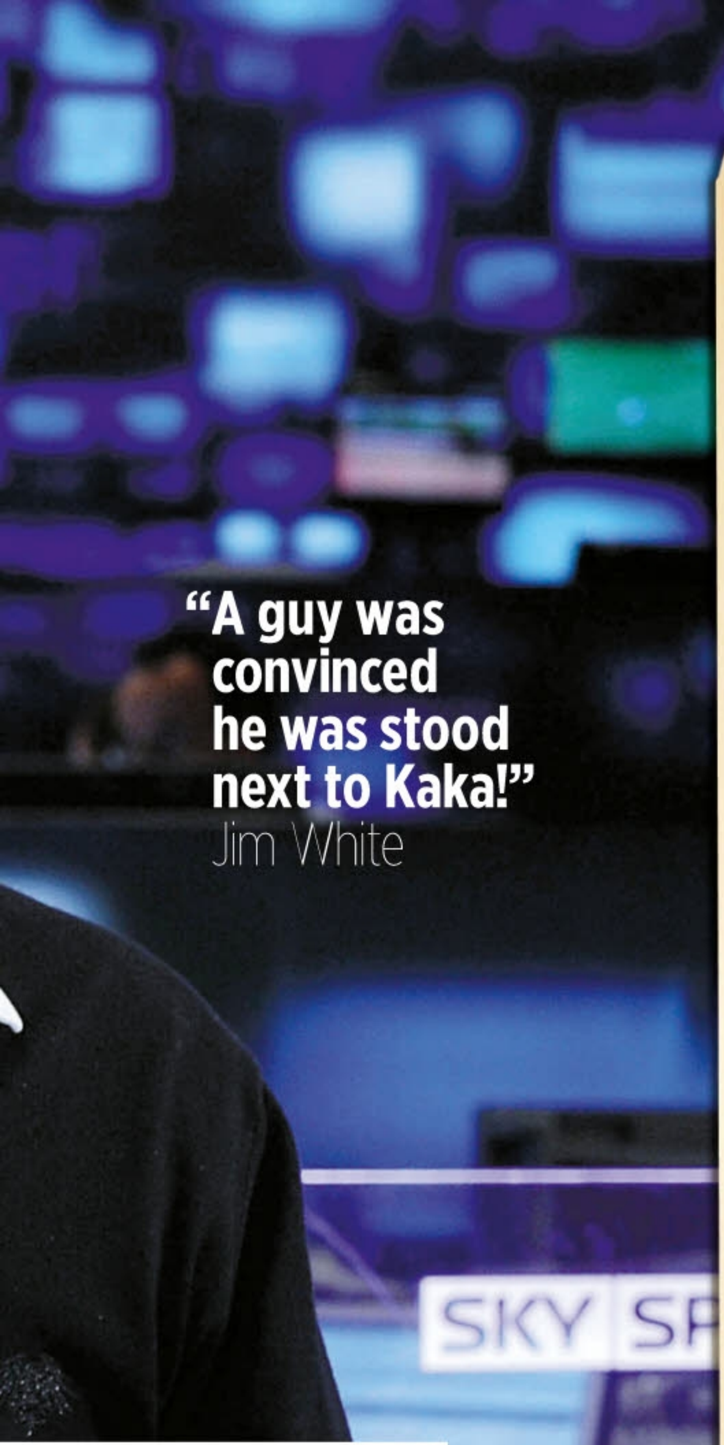
Do people try to feed you lies just for the sheer hell of it?
Oh yeah! And now, with the advent of Twitter, which I don't understand or use, it goes mad when night sets in. Last season, one guy was convinced he was standing next to Kaka at Seven Sisters station in London and that he was on the way to Spurs. I was like, "Yeah yeah. You go and ask him if he's really Kaka!" There's a fair bit of devilment among football fans but we're usually up to speed with what's fact and what's fiction. We have a massive operation, reporters at every training ground, so when a deal's done and dusted, it gets illustrated graphically and all the details present and correct. Everyone at Sky Sports has to be on their "A" game.

Is it an adrenaline rush?
It certainly is. The final shift is like no other, and I like to think I go in with information no other people are party to – there's no rush like it when a big move comes through and you're seconds away from announcing it, like when Torres went to Chelsea, or Carroll went to Liverpool. We all thought Clint Dempsey would go to Liverpool, but he pitched up at Spurs and wrong-footed us, and that's the rush. The Robinho move to Man City was a huge swerve – we all thought he'd go to Chelsea, and we went with it, went with it... and then the next thing we know, Mark Hughes is showing him off to our cameras! You just have to roll with it, see the events through and get out the other end.

DEAL OR NO DEAL!

Jim will be covering Deadline Day on Thursday 31 January. The window shuts at 11pm.

INTERVIEWS: PETE CASHMORE



"A guy was convinced he was stood next to Kaka!"
Jim White

Can you give us some interesting nibbles for the forthcoming Deadline Day?
You have to expect that QPR, with Harry in charge and being down in the trenches, will be doing some business. Liverpool are still bereft in the striking department – they'll be doing business. And I suspect Arsenal are going to crack out the chequebook. I think this one is going to bring some big left-field moves!

Deadline Day insiders' view!

Three experts in the thick of the action!

NAME: Nicola Benn
OCCUPATION: Agent
CV: Commercial Executive Manager of Base Soccer. Clients include Aaron Ramsey and Ashley Young.

The agent!

"There's pressure to agree unfinalised deals to a deadline. It's common for agents to be in the office until past midnight. Usually pizzas are ordered and a few bottles of champagne are popped as deals are completed. Once I was involved in a transfer where the club secretary insisted a player signed his contract using a particular 'lucky' pen, but it couldn't be located. At one point I thought the deal was going to fall through, but it was finally found!"

NAME: Chris Kamara
OCCUPATION: Columnist
CV: Chris Kamara was manager of Bradford City on Deadline Day in 1996, and knows exactly how tense it can get.

The ex-manager!

"You're on the phone before breakfast, on the way to the office, and then you tell the coaches you won't be at training. On Deadline Day in our promotion season, I was told by my chairman that we had to sell our goalie. I said, 'Our other's not fit and it's the play-off final next week!' 'Well, you'd better loan a new one then!' I got no joy until, with 15 minutes to go, I got a call from Ron Atkinson at Coventry offering Jonathan Gould. With a minute to go, Gouldy got to the office, signed the forms, and played in our play-off final win against Notts County!"

NAME: Steve Claridge
OCCUPATION: Pundit
CV: Professional footballer who changed clubs 28 times, and who was transferred to Wolves on Deadline Day in 1998.

The ex-player!

"Sometimes a player has prior knowledge of a move, other times it's a shock. If a club's interested in a player they approach his agent to discuss his availability. If he's available, the clubs agree a fee and the player undergoes a medical. When I was at Birmingham, Barry Fry kept everyone behind after training. We thought it was because he didn't want to lose any of us, but in reality he wanted to shift as many of us as possible and needed us in the same place! If there was interest, one by one we'd be summoned to his office and sold! I was on the verge of a move to Norwich, but it never transpired."

Nuts

"Woo-hoo! Football's ace! What? Wycombe at home next? Oh"

The miracle of Bradford thrills us all!

City's Capital One Cup exploits are simply incredible!

BRADFORD CITY – just beyond belief, isn't it? Miracles do happen! You don't believe something like that can happen in football – their achievement is the most amazing in recent memory.

They went to Villa Park and got battered for 45 minutes, and I think we all felt the dream was over. But then the manager got the players believing that they could still win the tie and they turned it around.

Then Paul Lambert lost the plot and couldn't see the wood for the trees. I've been there, when I was manager of Stoke. When you're facing a humiliation, you lose all sense of focus and hinder the team by throwing on players in a vain attempt to make a difference. By the end, Villa had no cohesion, no formation, nothing.

But that's taking nothing away from Bradford – if you tried to explain to someone who knows nothing about football the magnitude of what happened, it would be impossible. It's like the climax to last season's title race – if it was a film, you'd scoff at the implausibility of it all. It's a mad fantasy – but it's really happening!

I know some people say sponsors Capital One won't be happy with the final line-up, but for the neutral, they've got the romantic final to end all finals. I'm sure the PR types will recognise this eventually.

"Steady on, fellas – I had a curry for lunch!"

So where do Chelsea turn now?

I ONLY had to check the tweets I received from *Nuts* readers to be reminded that I got it wrong about Pep Guardiola and Chelsea. But I think most people did – we all thought it was nailed on and he must have just decided he didn't want to be part of the Chelsea circus. As I said last week at the FA's 150th birthday launch event, he wasn't shutting up about how much he wanted to come to the Premier League!

Now Jose Mourinho's being linked with the Portugal national team, so if not Pep or Jose at Chelsea, then who? Rafa Benitez has lost them the Super Cup and the Capital One Cup. It just goes to show what I said all along – firing Roberto Di Matteo was a mistake.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

GIANT KILLERS!

It has to be Bradford and Swansea's Capital One Cup achievements. Anyone interested in preserving the romance of the game will be delighted.

UNBELIEVABLY BAD!

HAZ HUFF!

Oh, Eden Hazard! I think – *think* – his intention was to kick the ball out of the ballboy's hands, but it ended up looking pretty ugly.

SAS already look like a lethal force!

A HANDFUL of games together and Daniel Sturridge and Luis Suarez already look fantastic. Steven Gerrard was on *Goals On Sunday* the weekend before last and said that Suarez is the best player he's ever played alongside. That tells you everything – as an all-round player, he probably edges it over Robin van Persie.

Sturridge has got a bit to prove. He was released by Man City and didn't really make the grade at Chelsea, but Liverpool have put a big price tag on him and it doesn't look like it weighs heavily on him at all. He looks keen and hungry.

"Er, when you said we should play close together, Luis..."

"Quote me on that!"

This week's biggest match debaters!

"Sturridge can score goals in the frame of the goal" That's every goal, Brendan Rodgers.

"I'm looking for a bit of fairy dust"
Wales boss Chris Coleman is away with the fairies.

"Carlo Ancelotti was exactly the same as Jose. Only calmer"
So, not exactly the same, Frank Lampard.

"I thought my name in French meant 'melt' so I've been called Adam Le Melt"
Adam Le Fondre needs French lessons.

"My team is like a cannibal team"
Swindon manager Paolo Di Canio on his team of man-eaters.

"I might give Giroud a ginger wig and pretend he's Scottish" Gordon Strachan has a plan.

"It's too close to call but you've got to fancy Everton" Peter Reid calls it anyway.

OO-ER SOUNDS A BIT RUDE CORNER!

"Raheem Sterling hasn't stayed rigid"
Charlie Nicholas on Mr Floppy.

"I want to feel the English supporters"
Pep Guardiola plans to have a mass grope.

"Taarabt has got a ball up his locker"
That can be really painful, Glenn Hoddle.

"It's OK – my mum always warned me to wear protection"

EXCLUSIVE!

Sturridge: 'Thank God I'm at Liverpool!'

The hitman on his dream start, dream team and Champions League dream!

Hi Daniel! How does it feel to be a Liverpool player?
Oh man, it's brilliant. I can't tell you how fantastic it is to wear the shirt. This is a massive club with such an amazing history and heritage that it's a genuine honour. I hope to spend many successful years here – I'm in it for the long haul.

What made you sign?
The manager said I could be part of something special. He showed great faith in me by spending the money but also by what he said. He reckons I can be part of the set-up for many years and that's great to hear. I believe Liverpool's a club going places. The manager has huge ambitions and we have a squad with world-class players. The fans are also some of the best in the world – Anfield can send shivers down your spine when it gets going. It was an easy decision when you weigh up all those things.

One of those world-class players is Luis Suarez. What's he like to play with?
It's pretty early days but I'd say the signs are good that we'll strike up a good partnership, don't you? Everyone knows his qualities and he's a decent guy, too. In training, it's been a joy working with him. I think our styles will complement each other and, hopefully, we'll get the goals to propel us to where we want to go.

How do you envisage the partnership working?
We should be able to be pretty fluid, swapping positions and causing defenders different problems. If he drops deep, I'll go up front and vice versa. It'll take time but we'll get there.

You were rumoured to be unhappy about playing on the wing at Chelsea. What would happen if you were asked to do the same thing at Liverpool?
I think I play best as a striker but the team's more important than the individual. I've never complained in the past so I won't start now. The manager makes the decisions, not the players. If I'm asked to do a job, in whatever position, I'll give my all.

You started pretty well, scoring three in three games!
Yeah, I was delighted with that, especially playing and scoring at Anfield in front of the home crowd – that was breathtaking. Already the fans have been great to me, for which I'm grateful. But I'm happy if we're winning – nothing else matters. I'm in the side to get goals. If I don't but I can help my team-mates be successful, that's fine by me.

Finally, any pressure on you as Liverpool's marquee signing in the transfer window?
Not really. I don't think about stuff like that. Myself being a Liverpool player is only a positive. I thank God for letting me be here.

- Arsenal vs Liverpool is on Wed 30 Jan on Sky Sports 2/HD at 7.45pm. Man City vs Liverpool is on Sun 3 Feb on Sky Sports 1/HD at 4pm.
